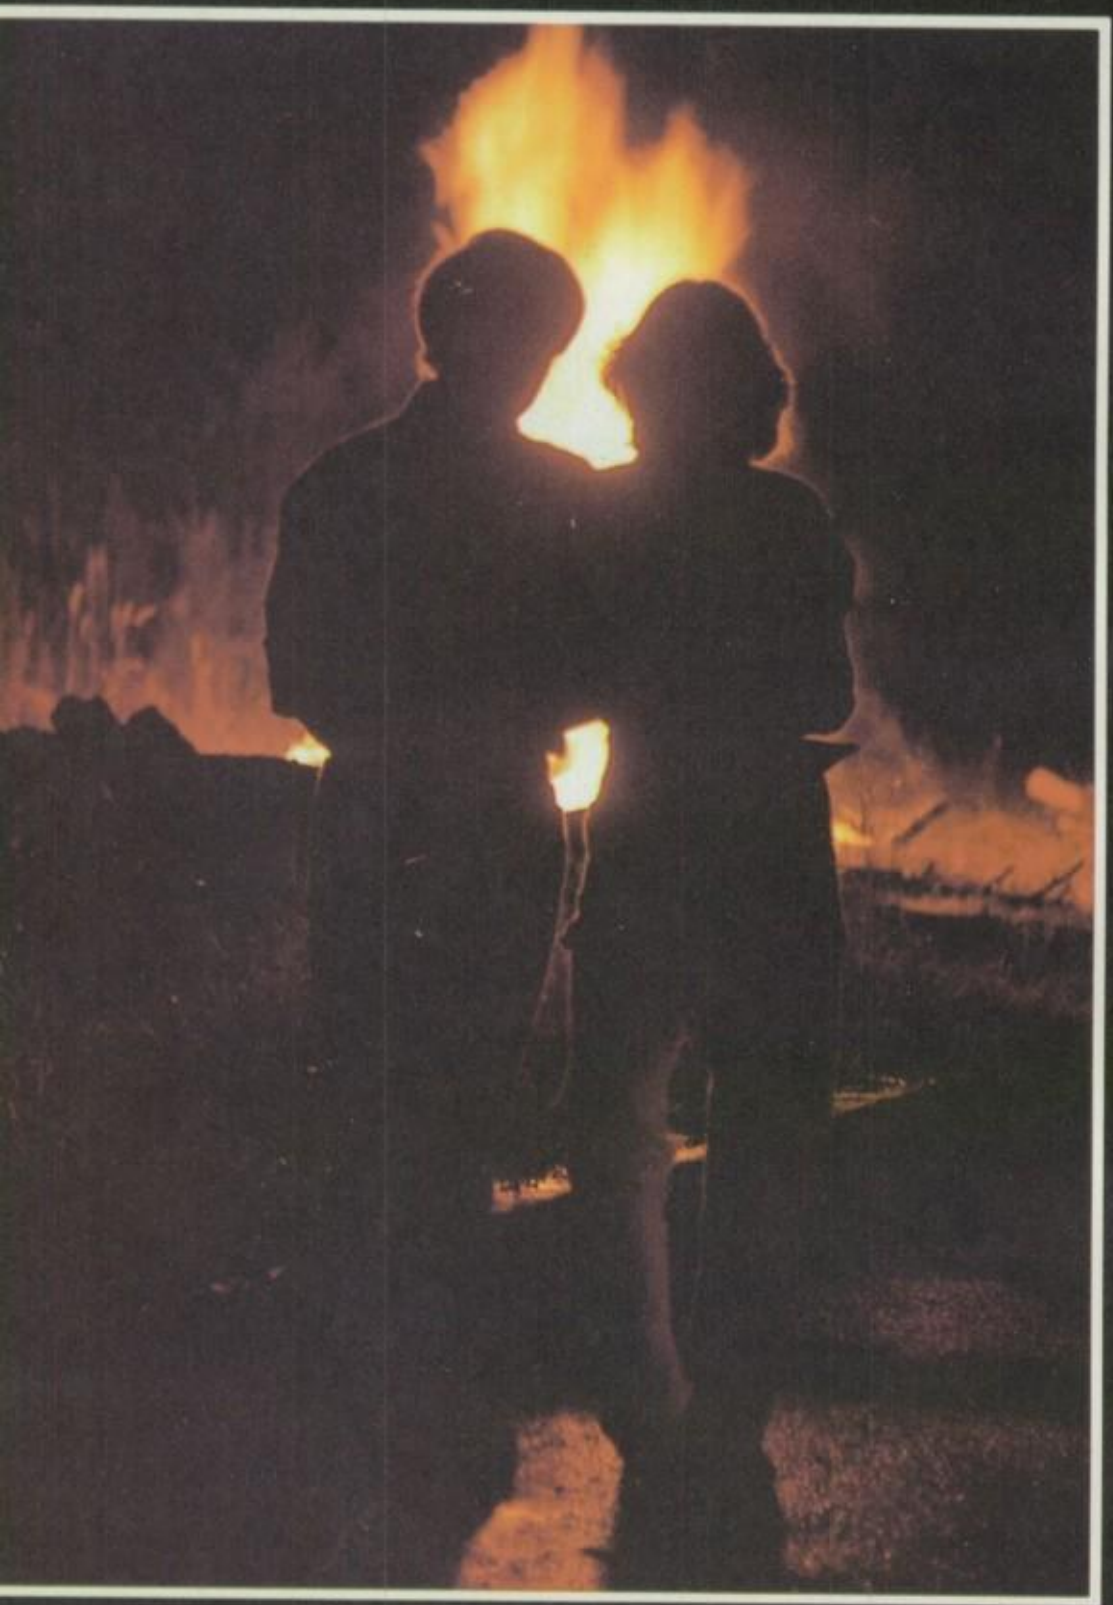
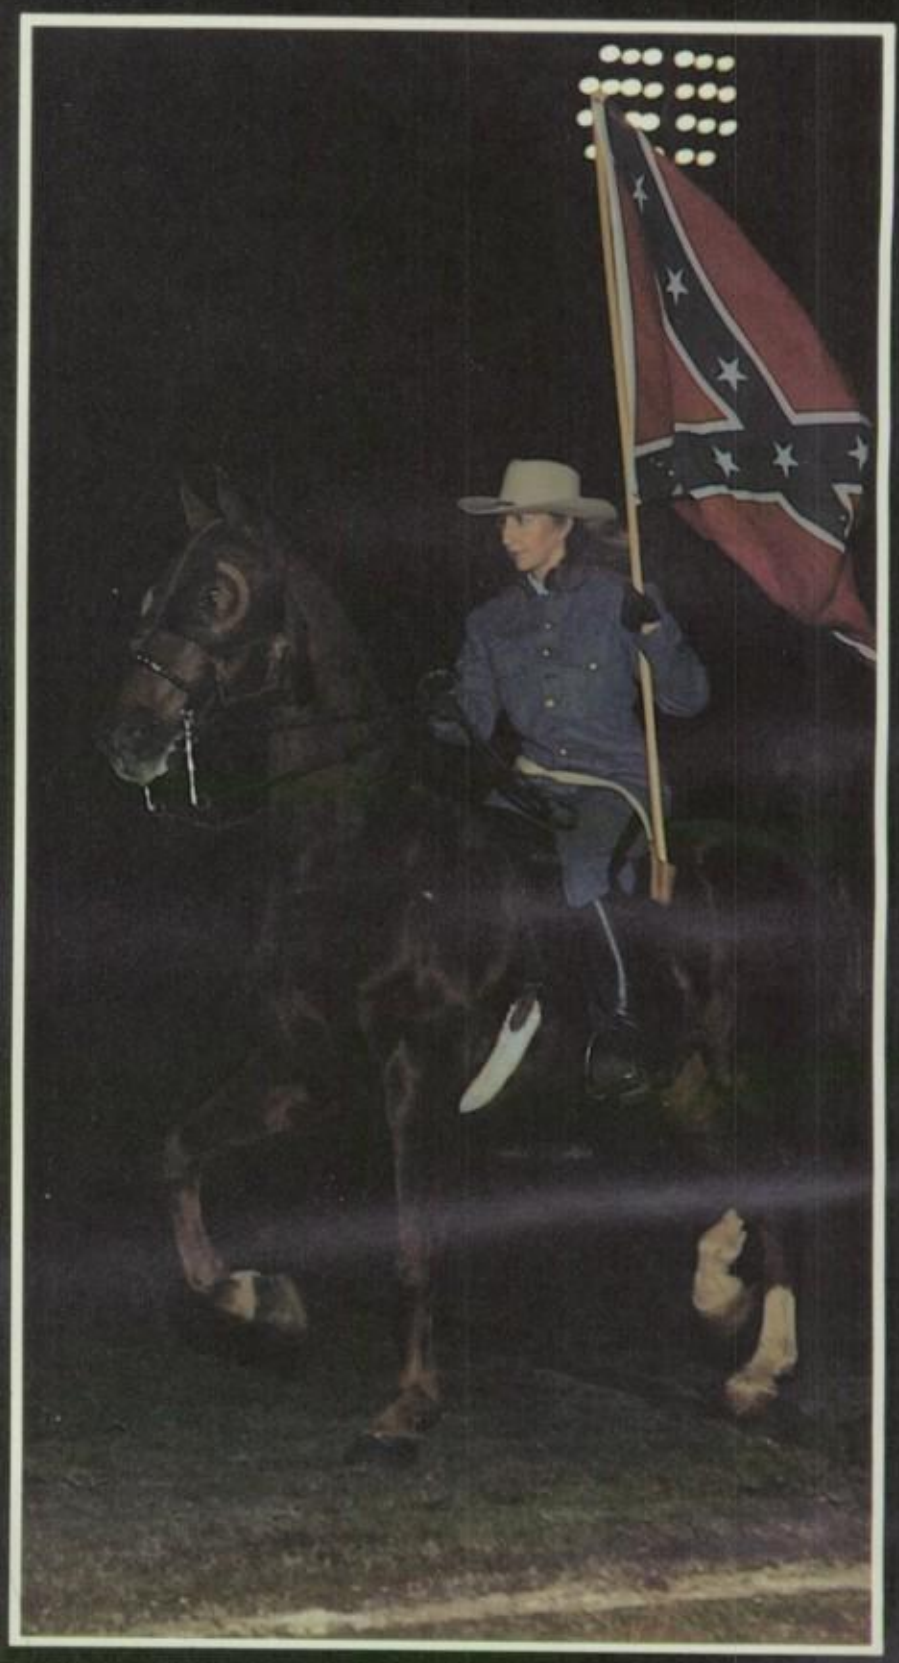
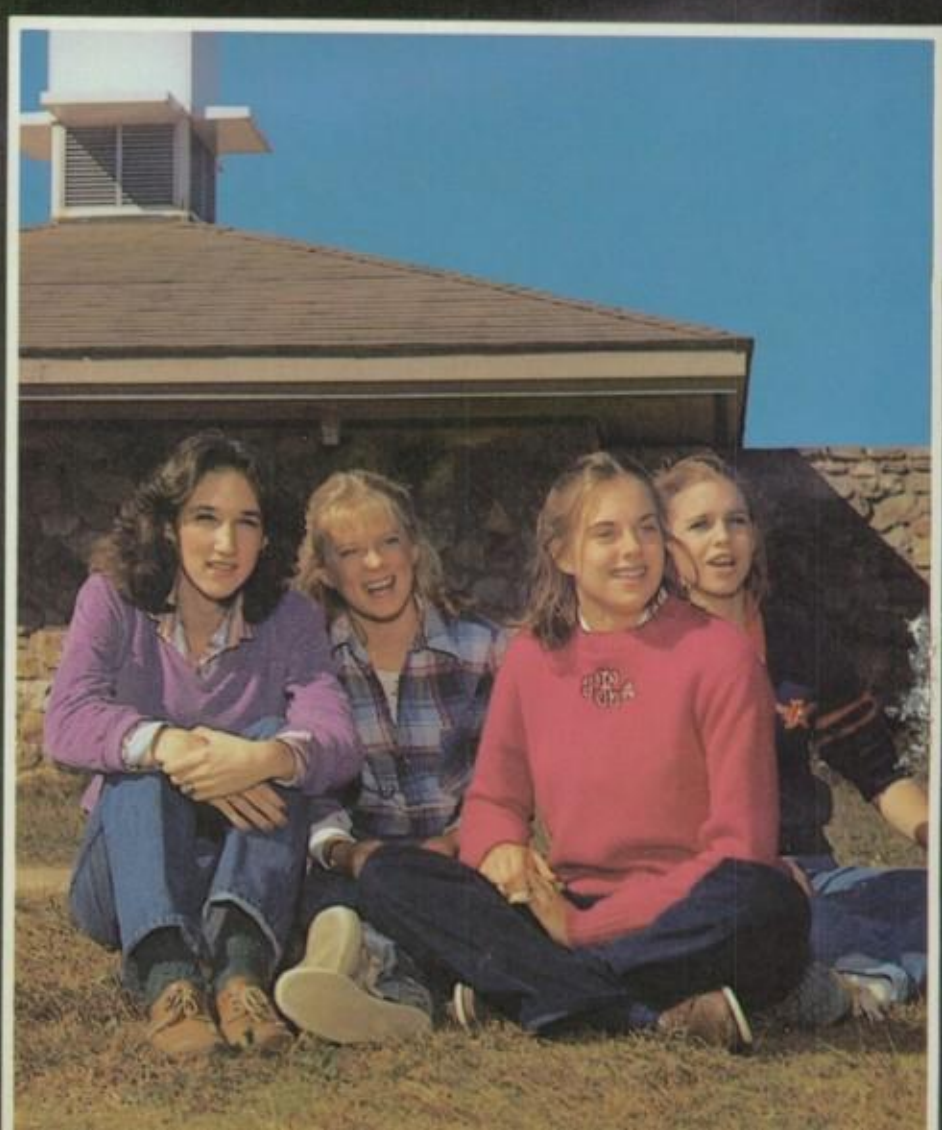
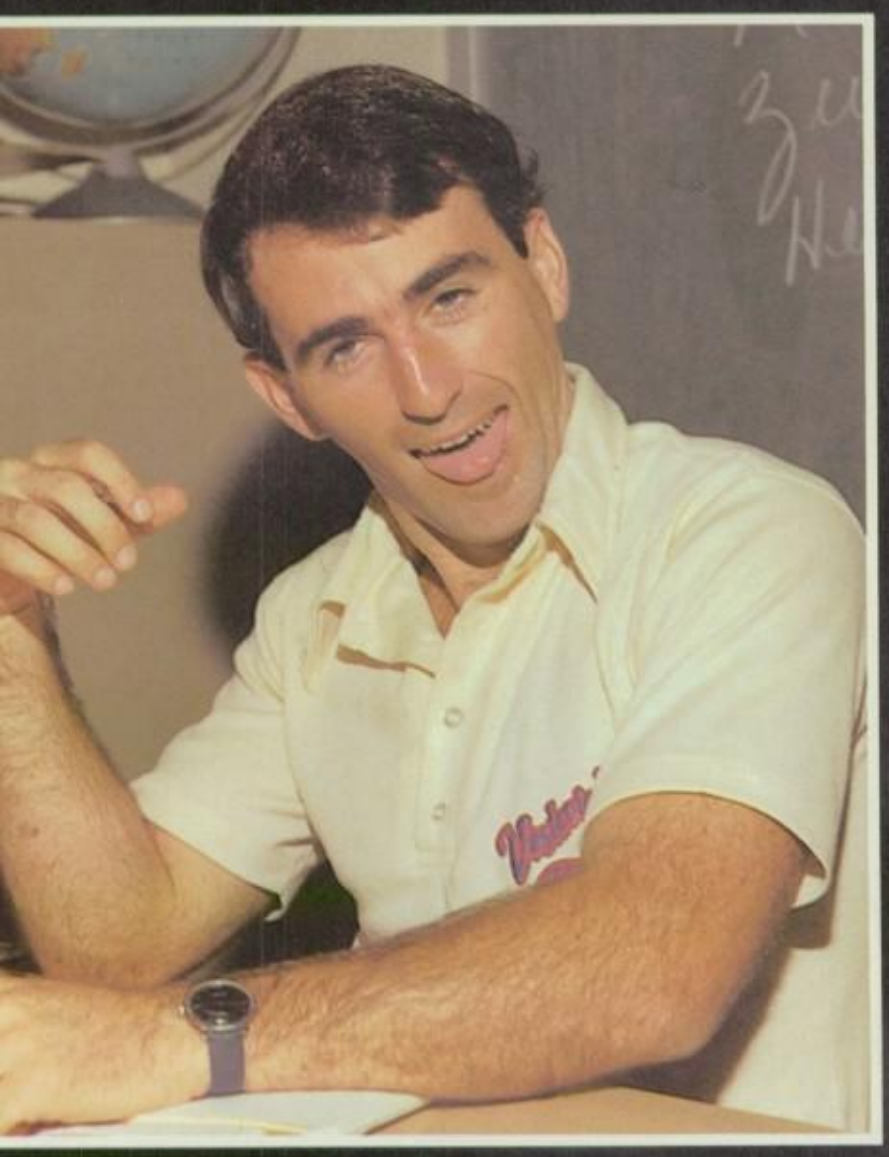
Smock,
This year has been one of the best, you and me were just helasious on the right side. Between you and me I don't think anybody got by more than once.
Coach is very mad

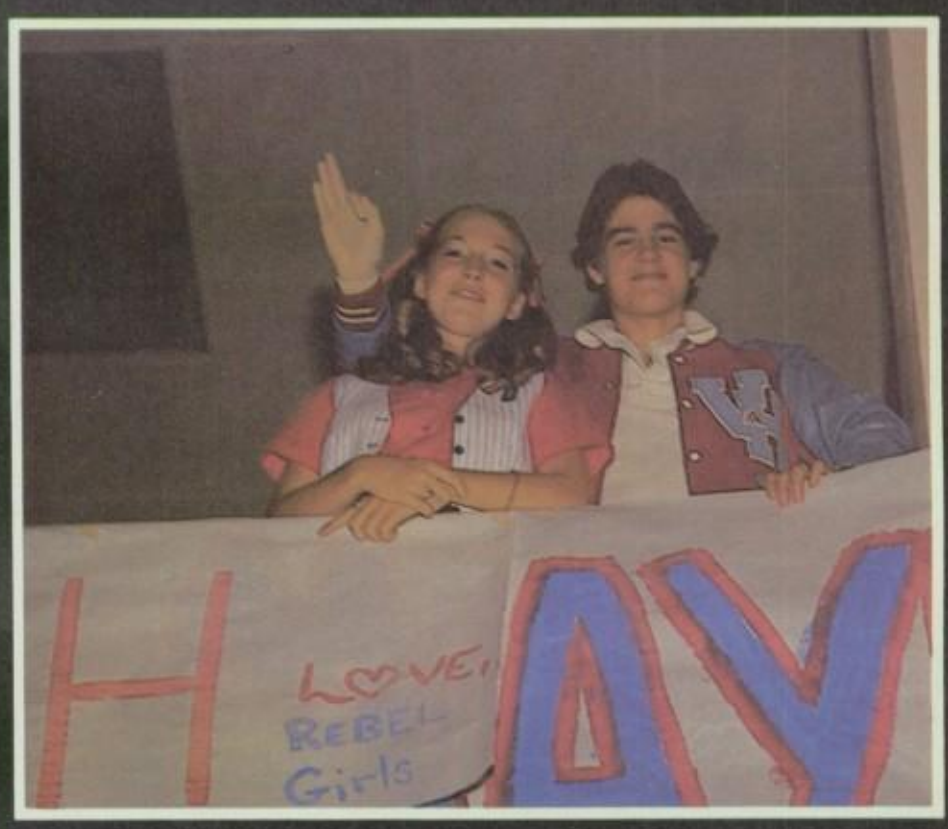
There is something
in Vestavia that
is native to
our blood —





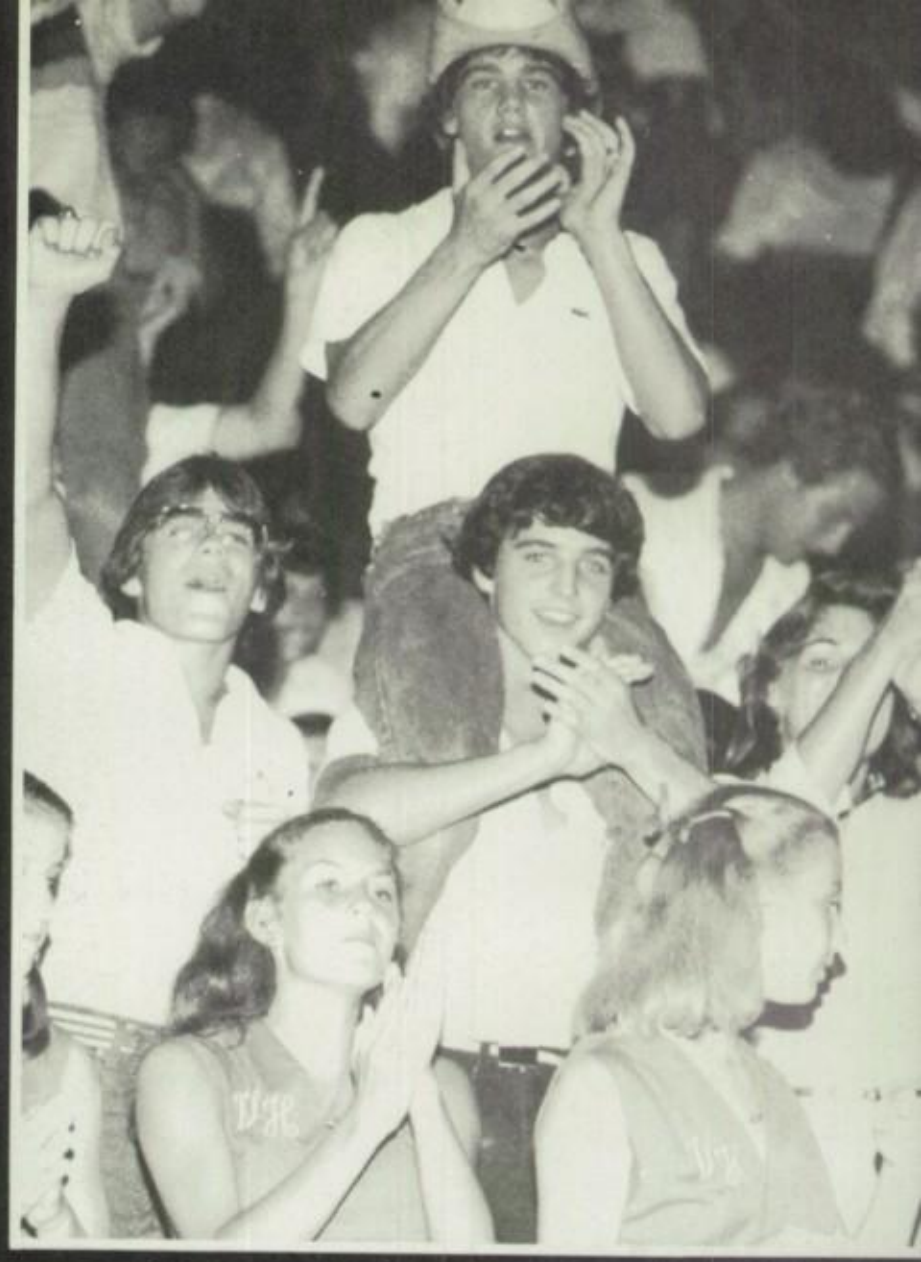






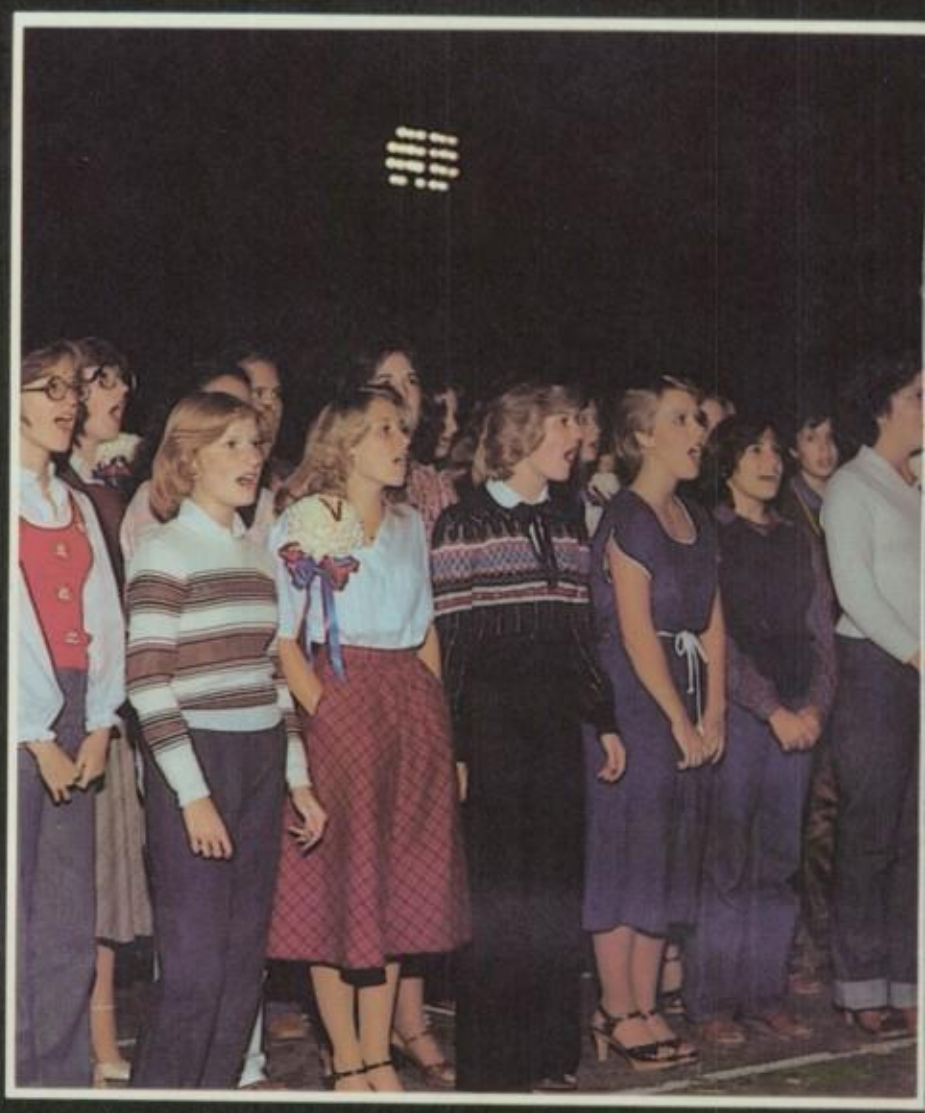
A touch
of manner,
A hint
of mood;

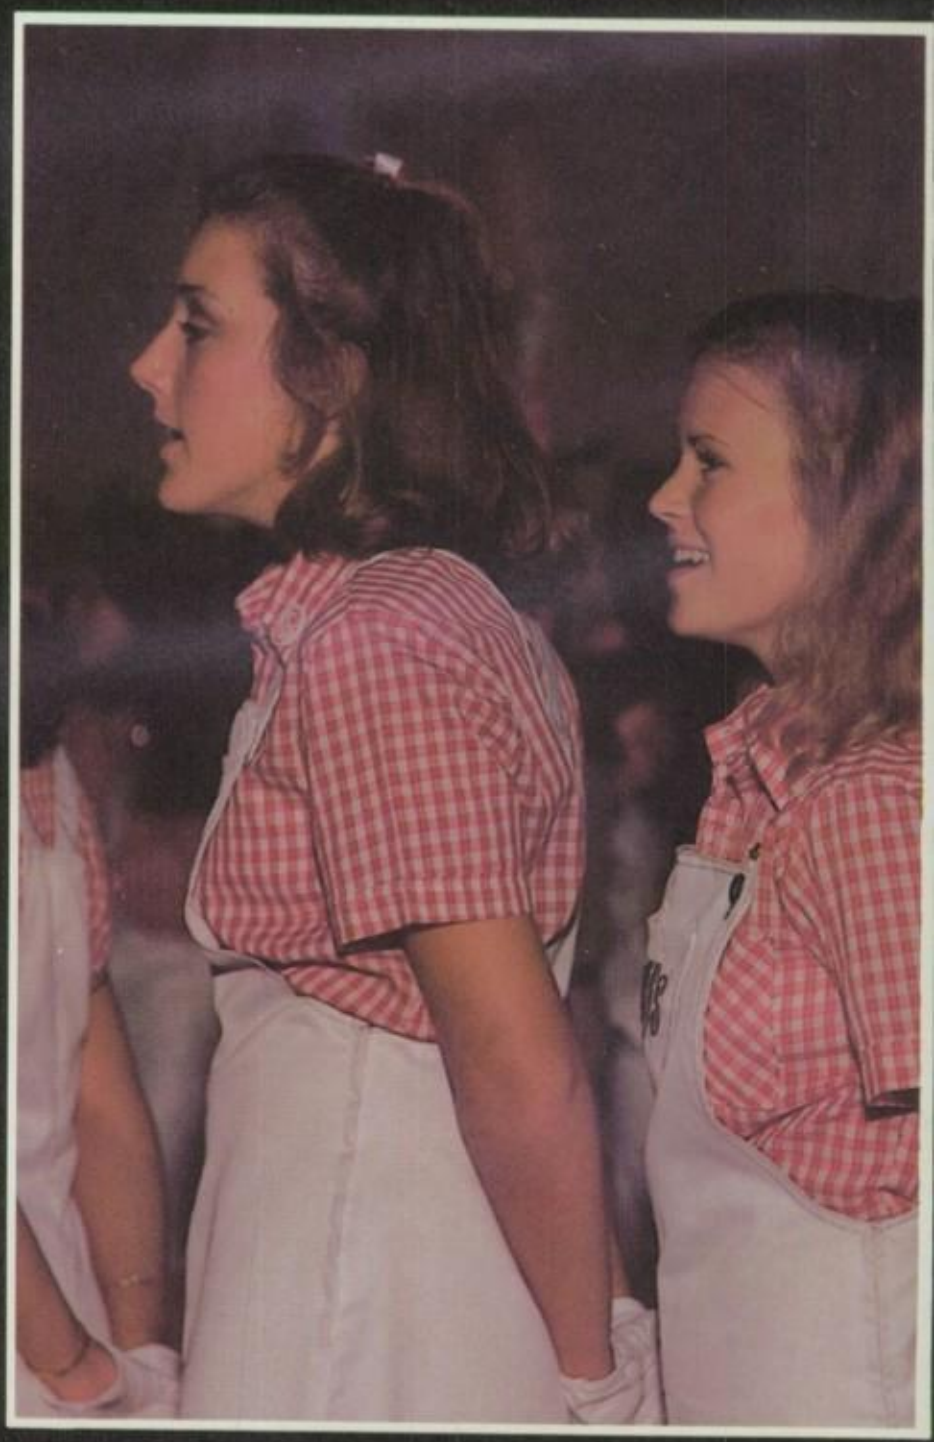
Our colors and
our spirit — may
they ever shine

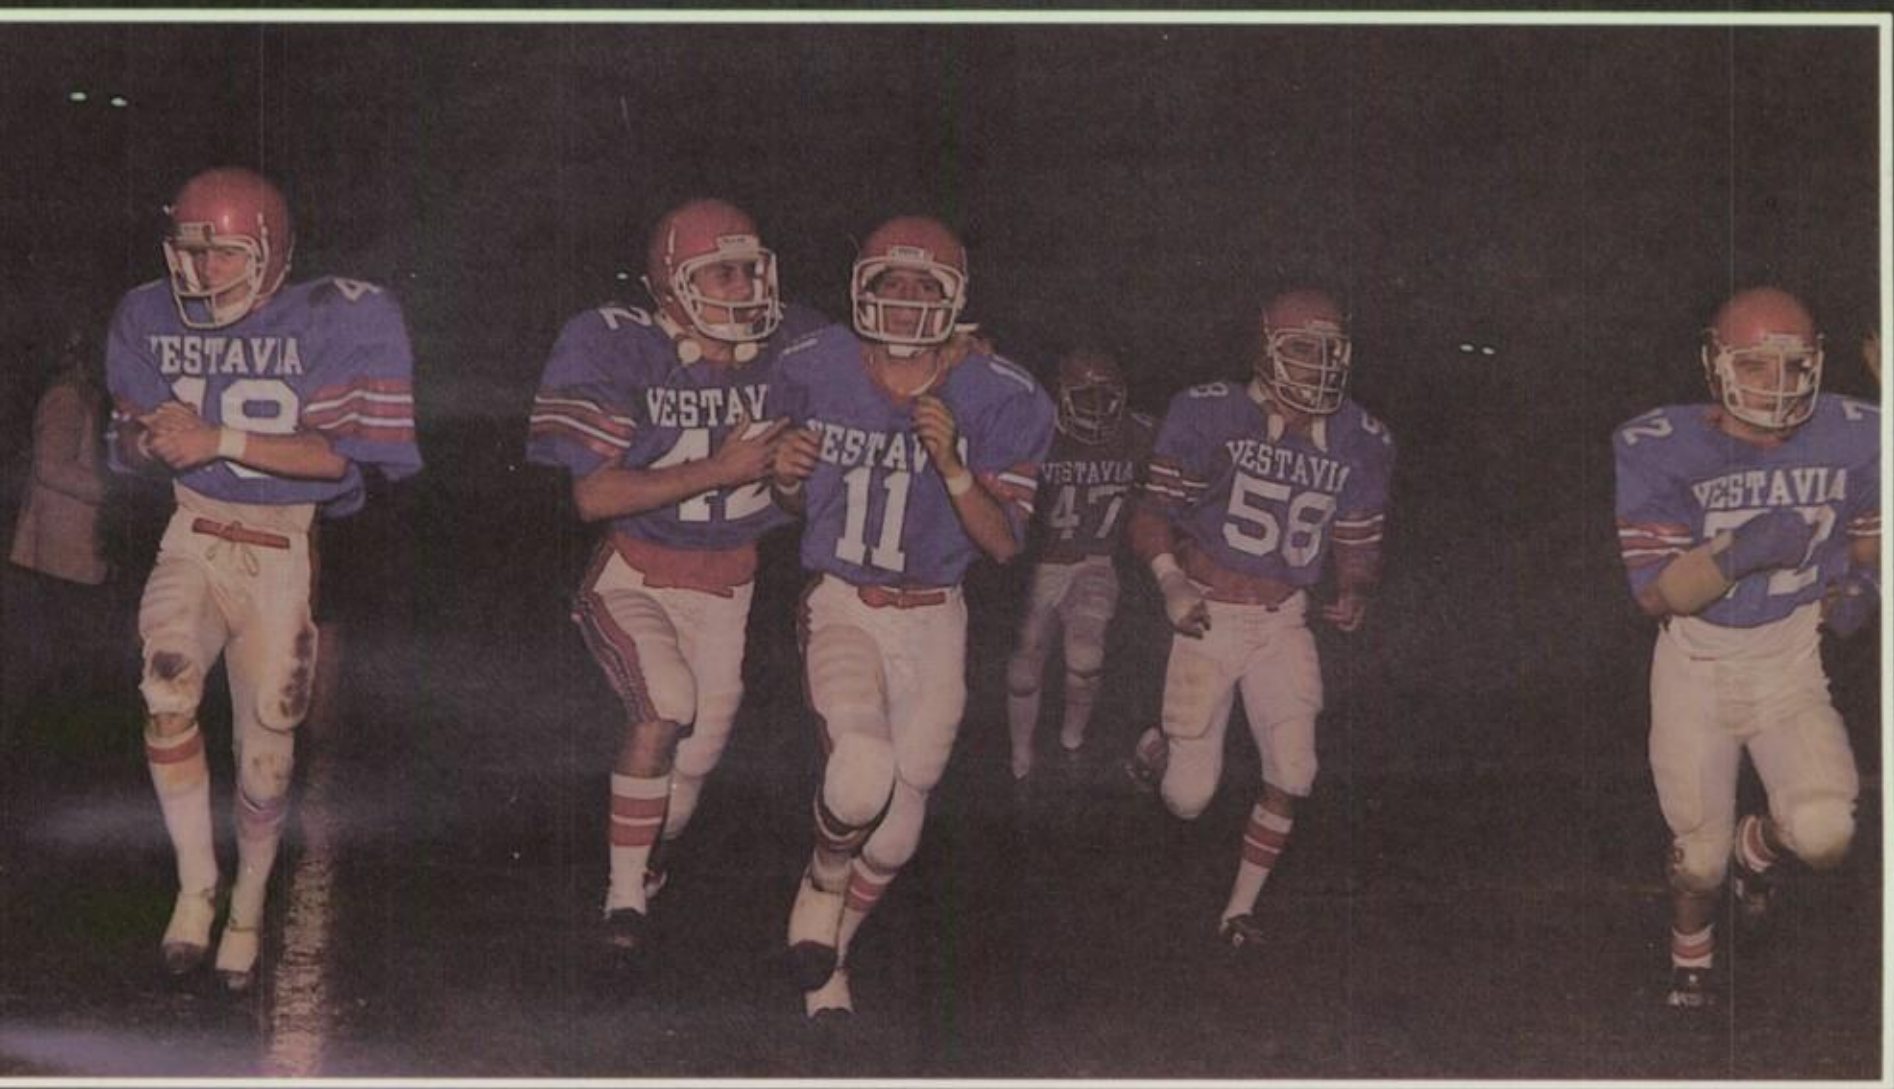


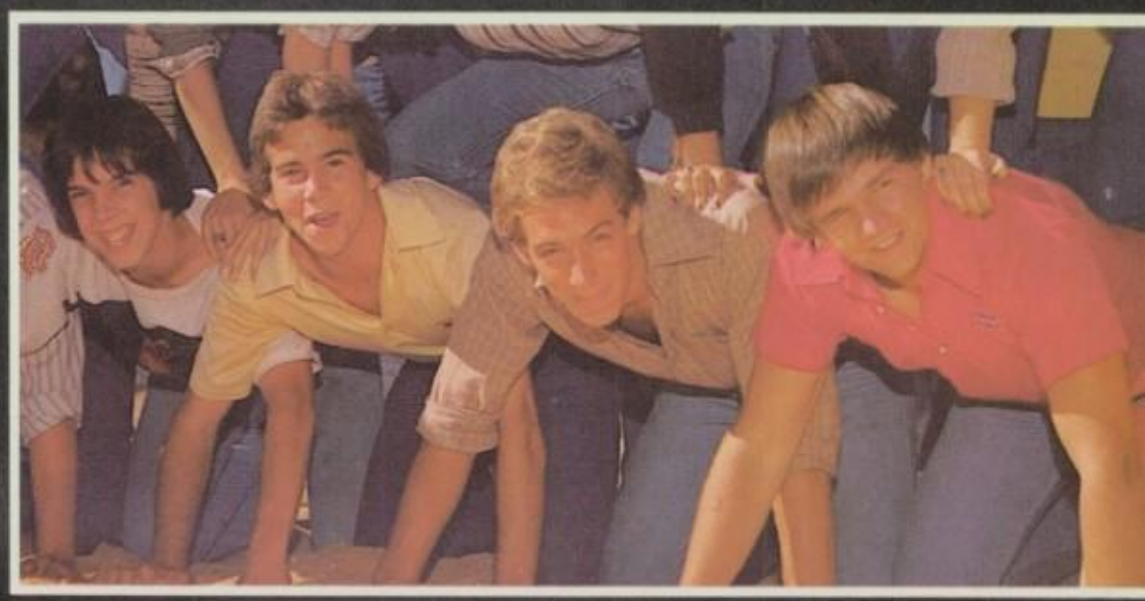
With the white,
the blue, and
the crimson
keeping time.

The melody of
"Dixie" can shake
us like a cry,



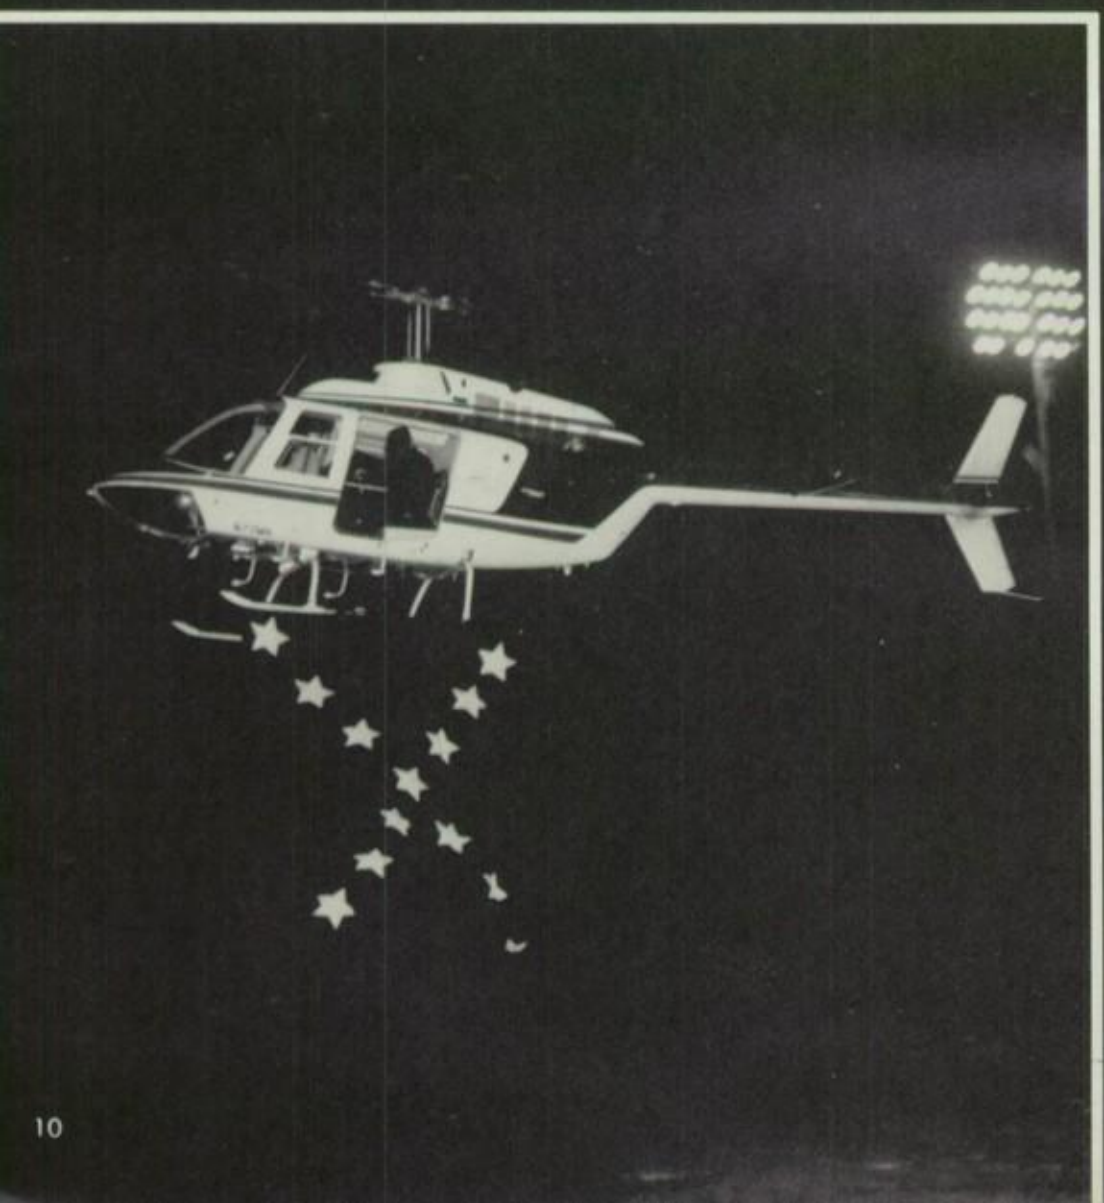


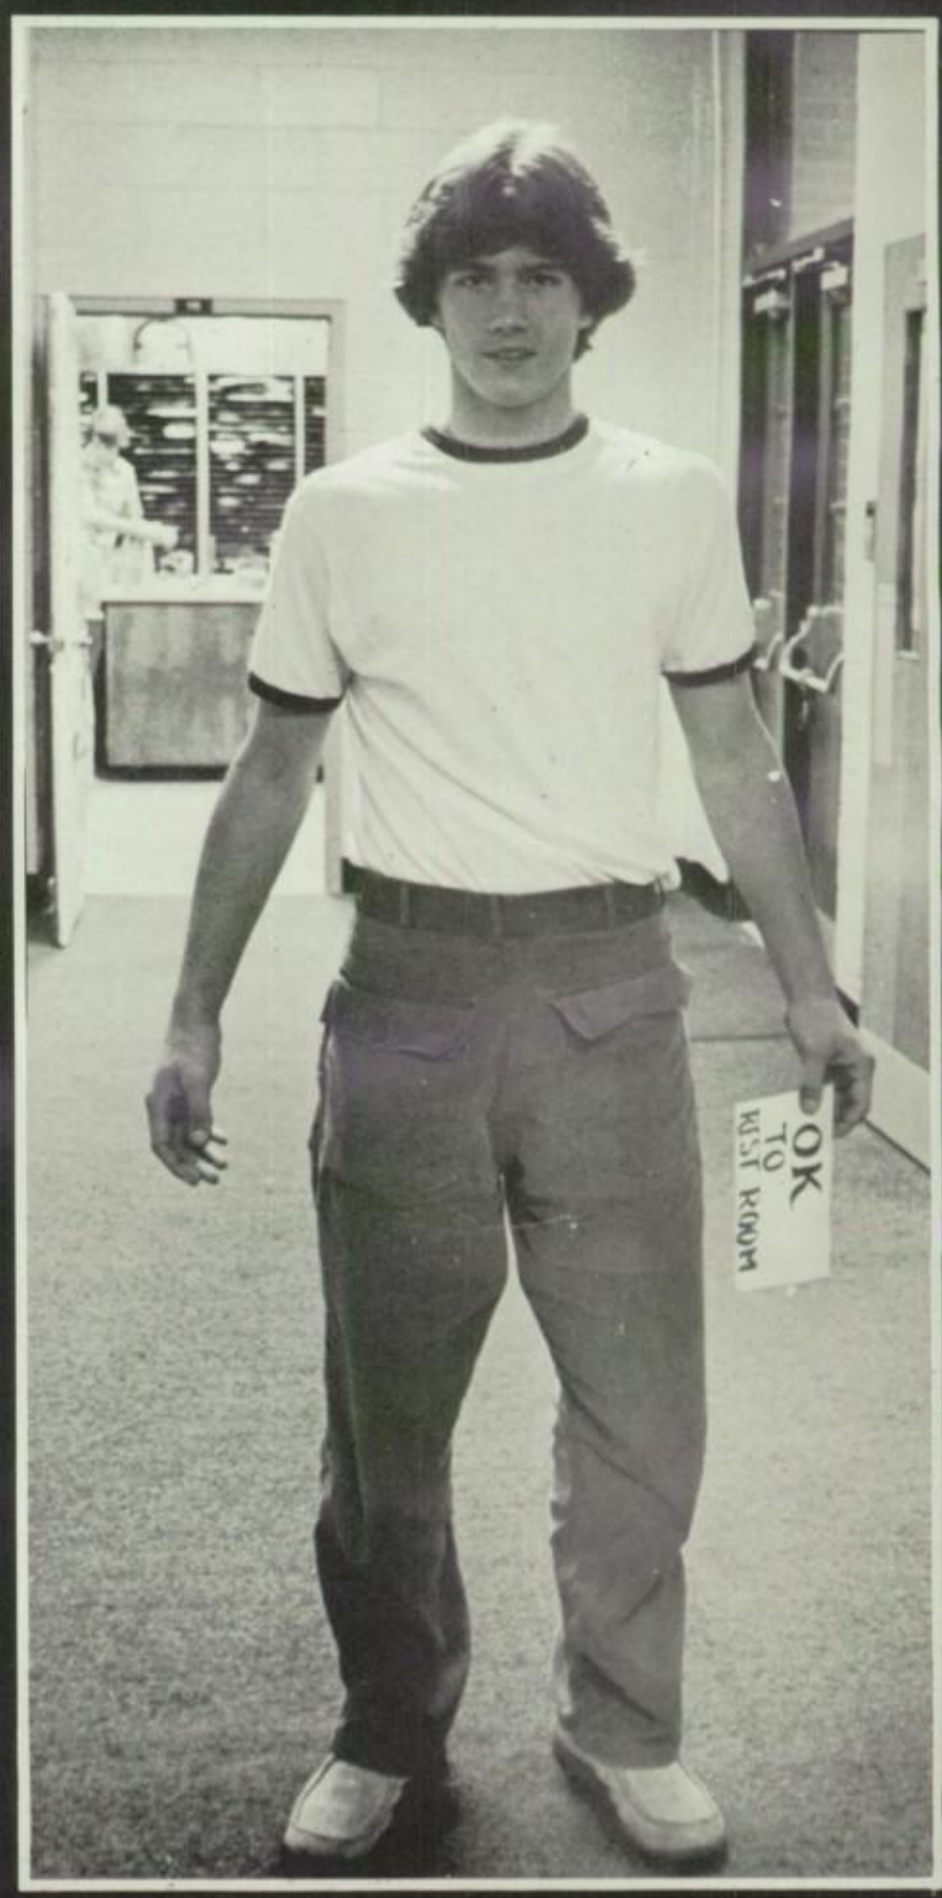


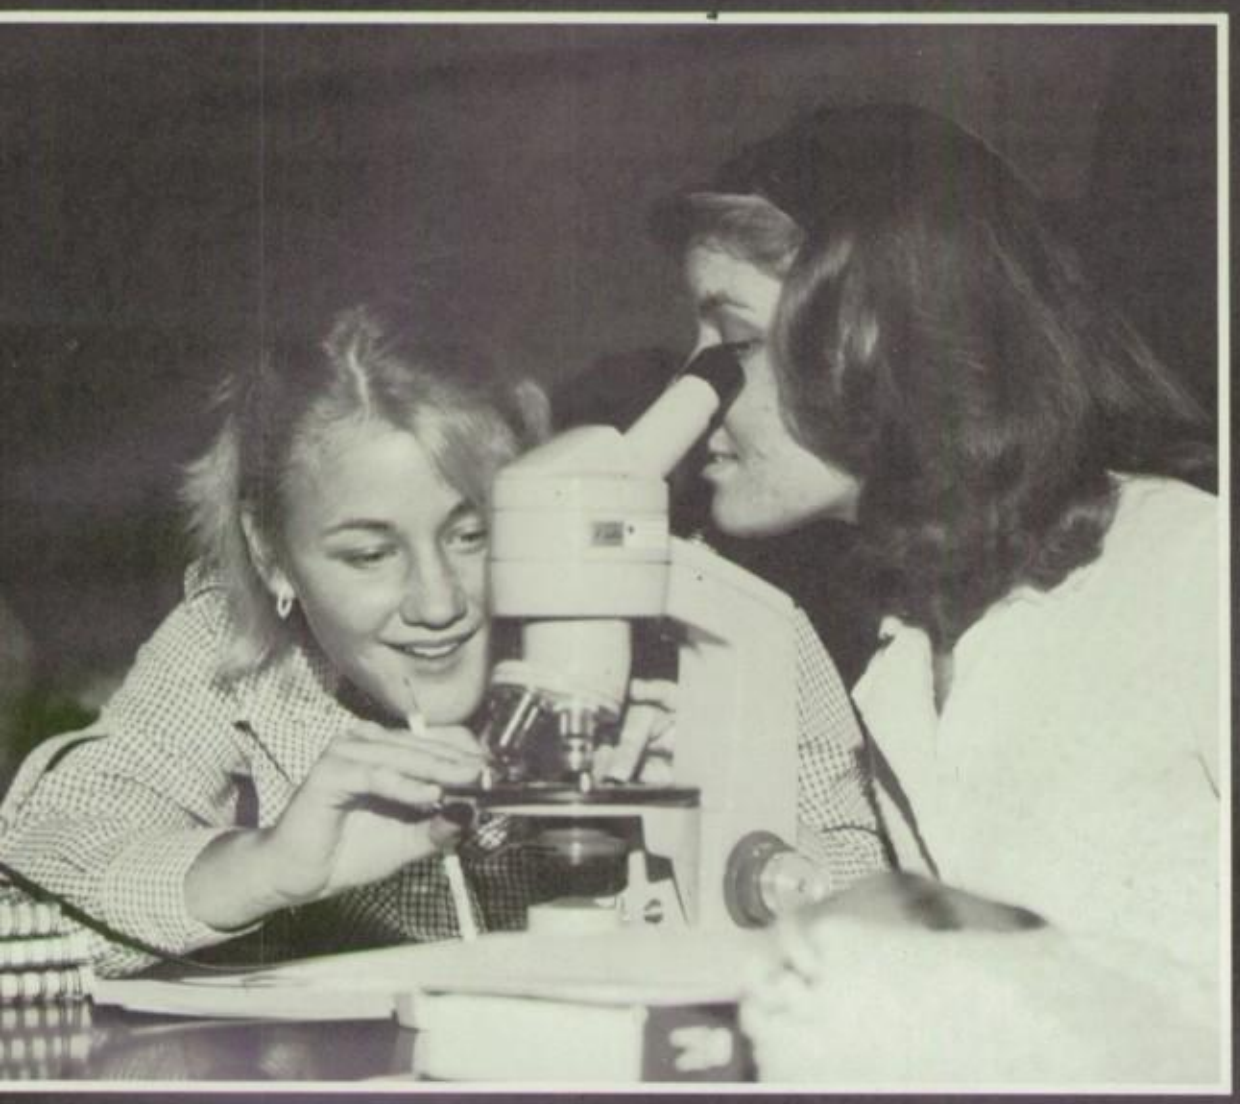


And we are proud
to be the "Rebels"
when the bugles
pass us by.

As long as
the Rebel flag
is flying,

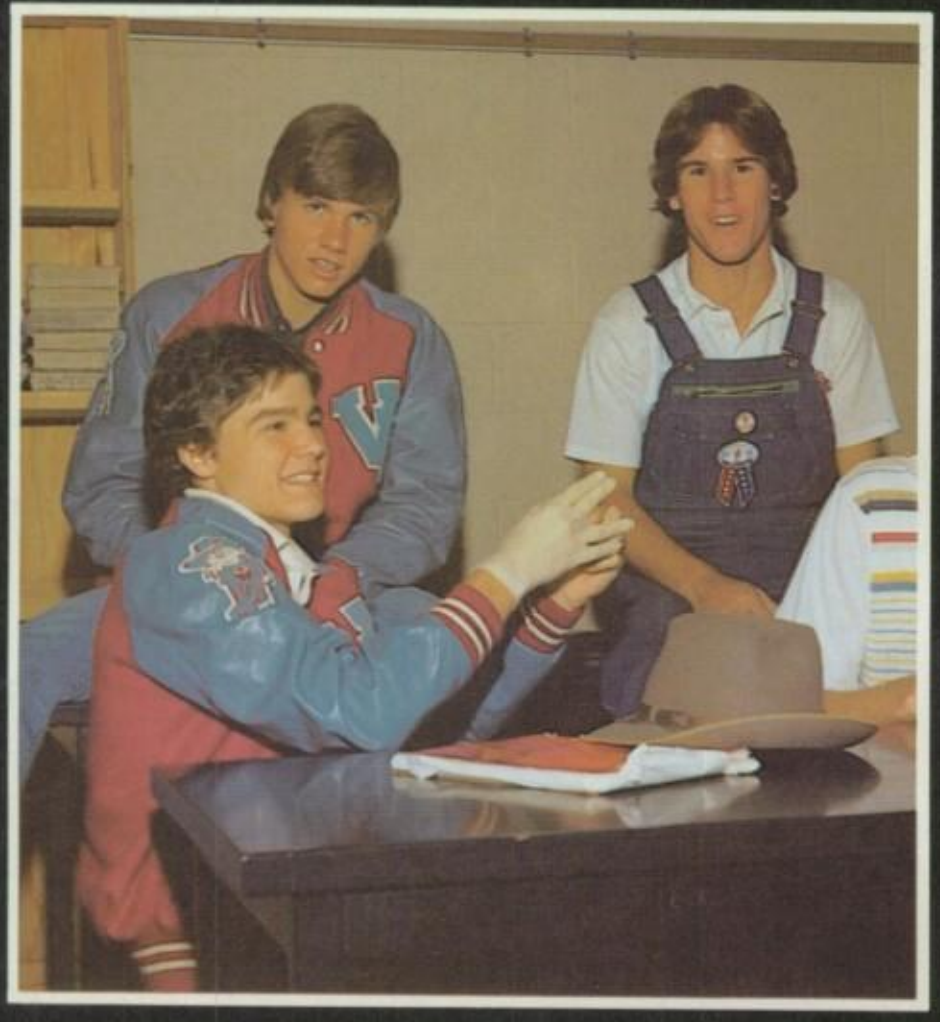


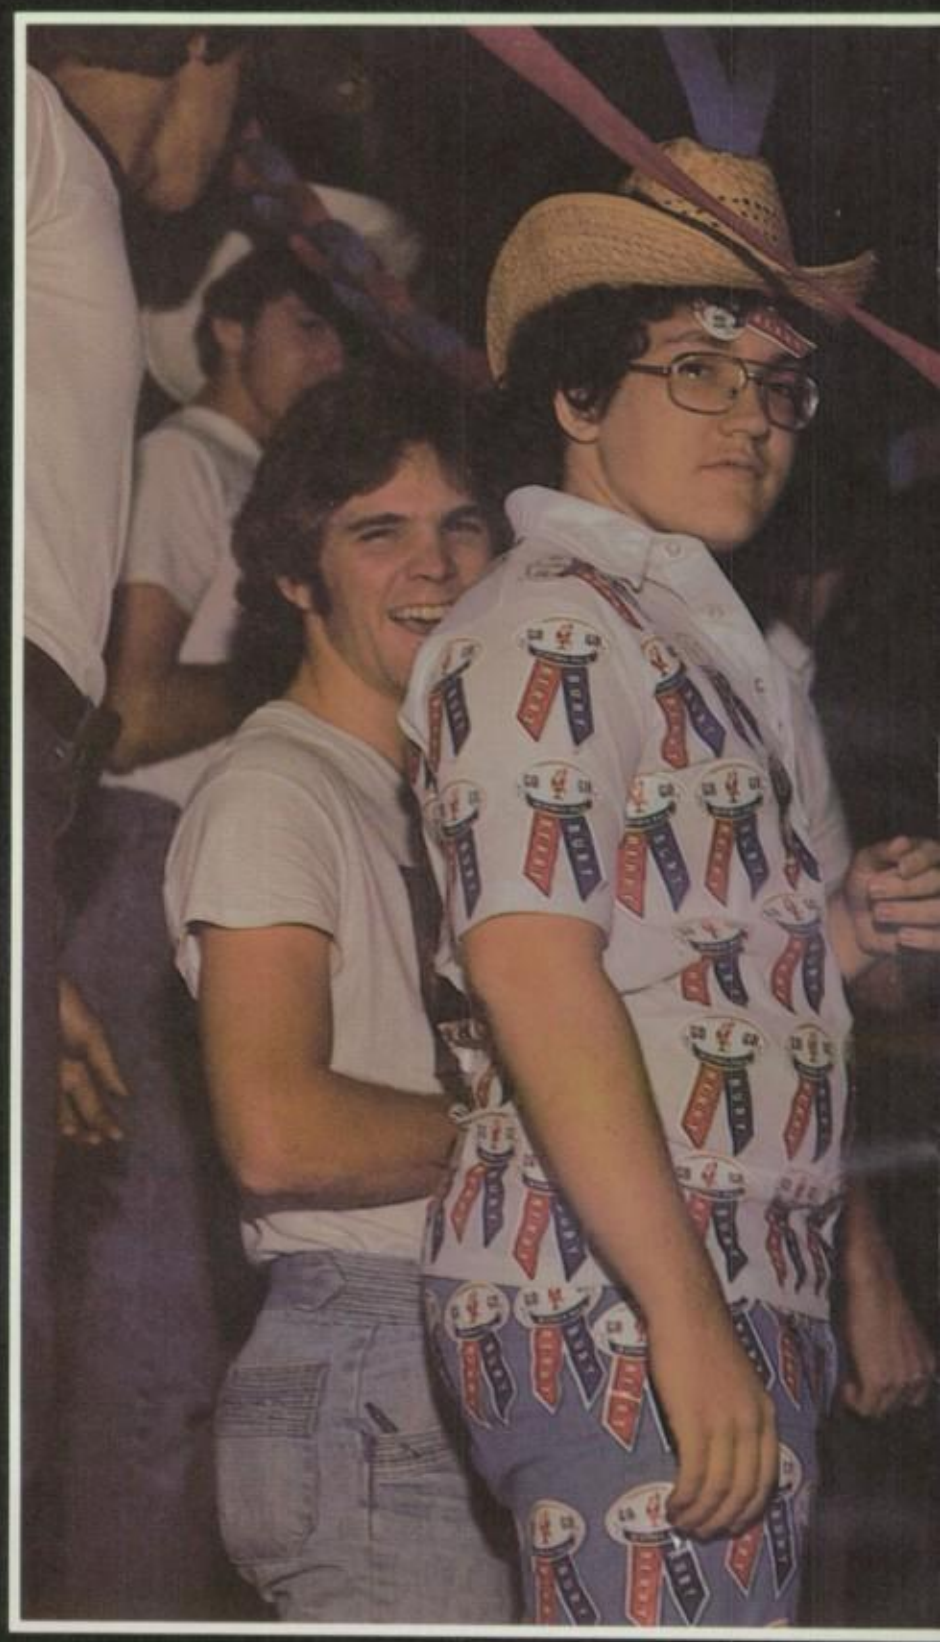


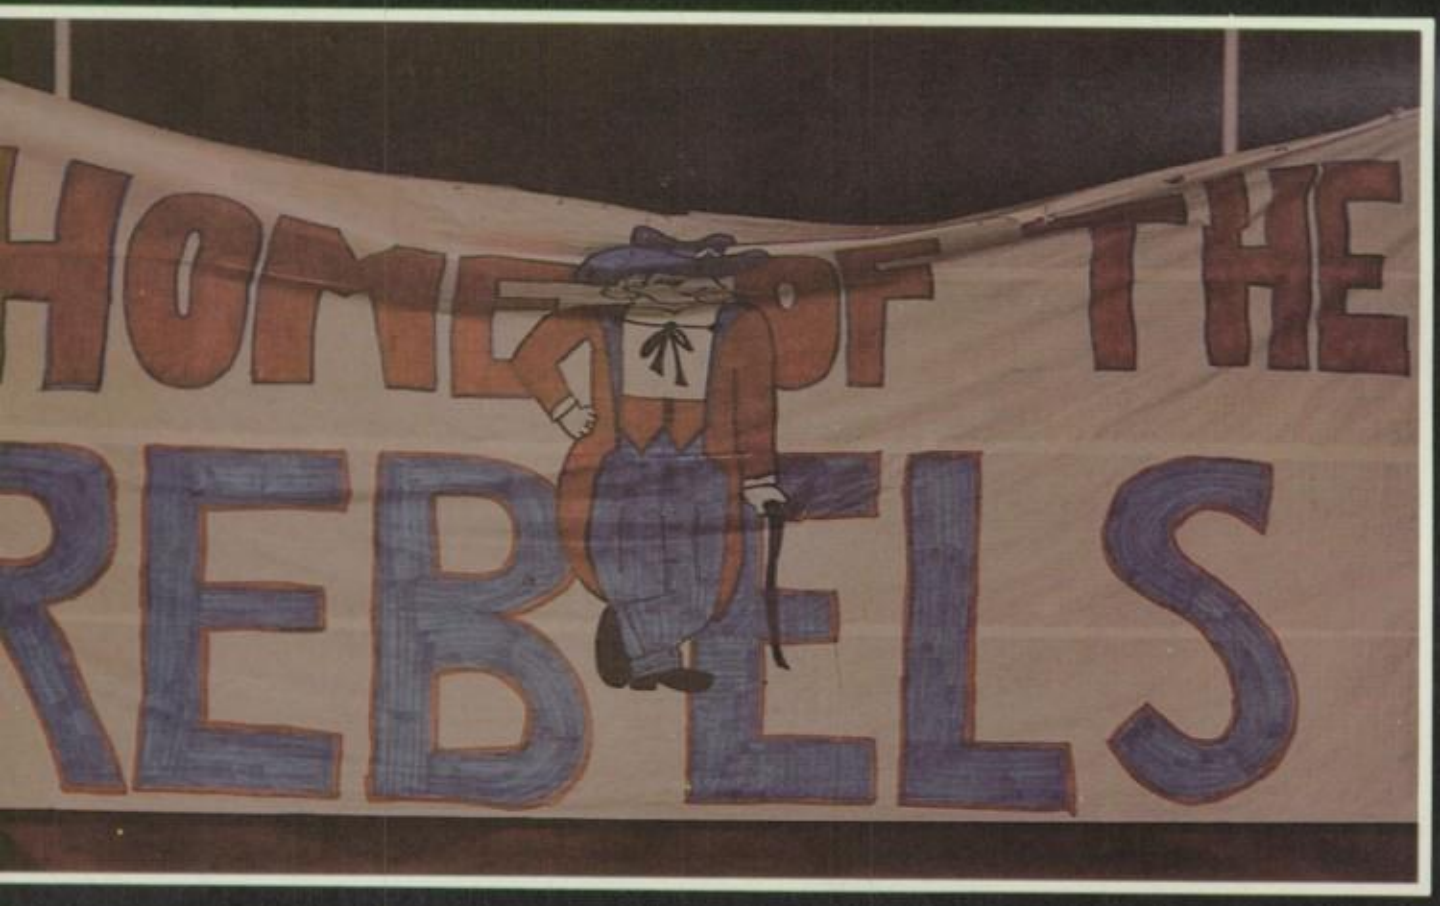


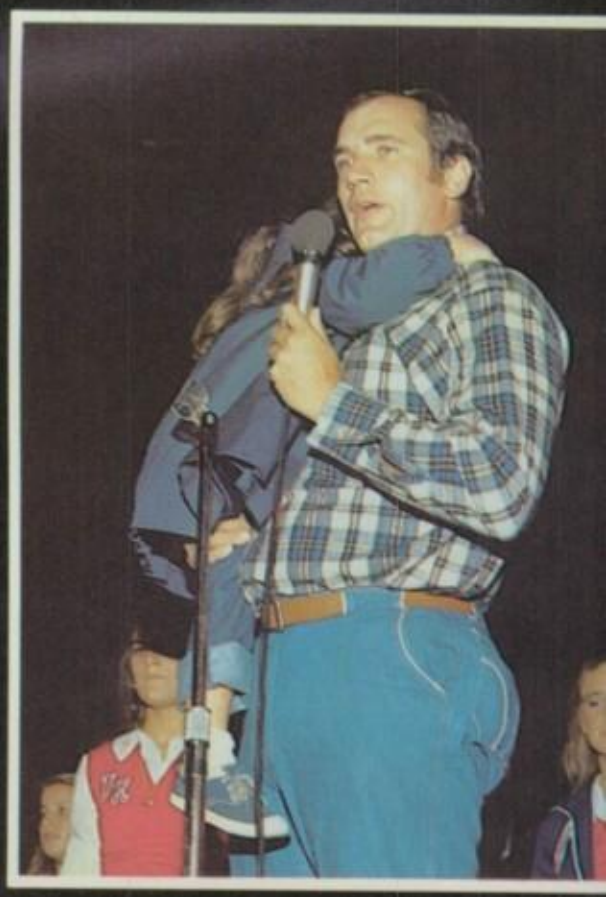
Our hearts
will never
grieve.

We know we've
finally found
our place



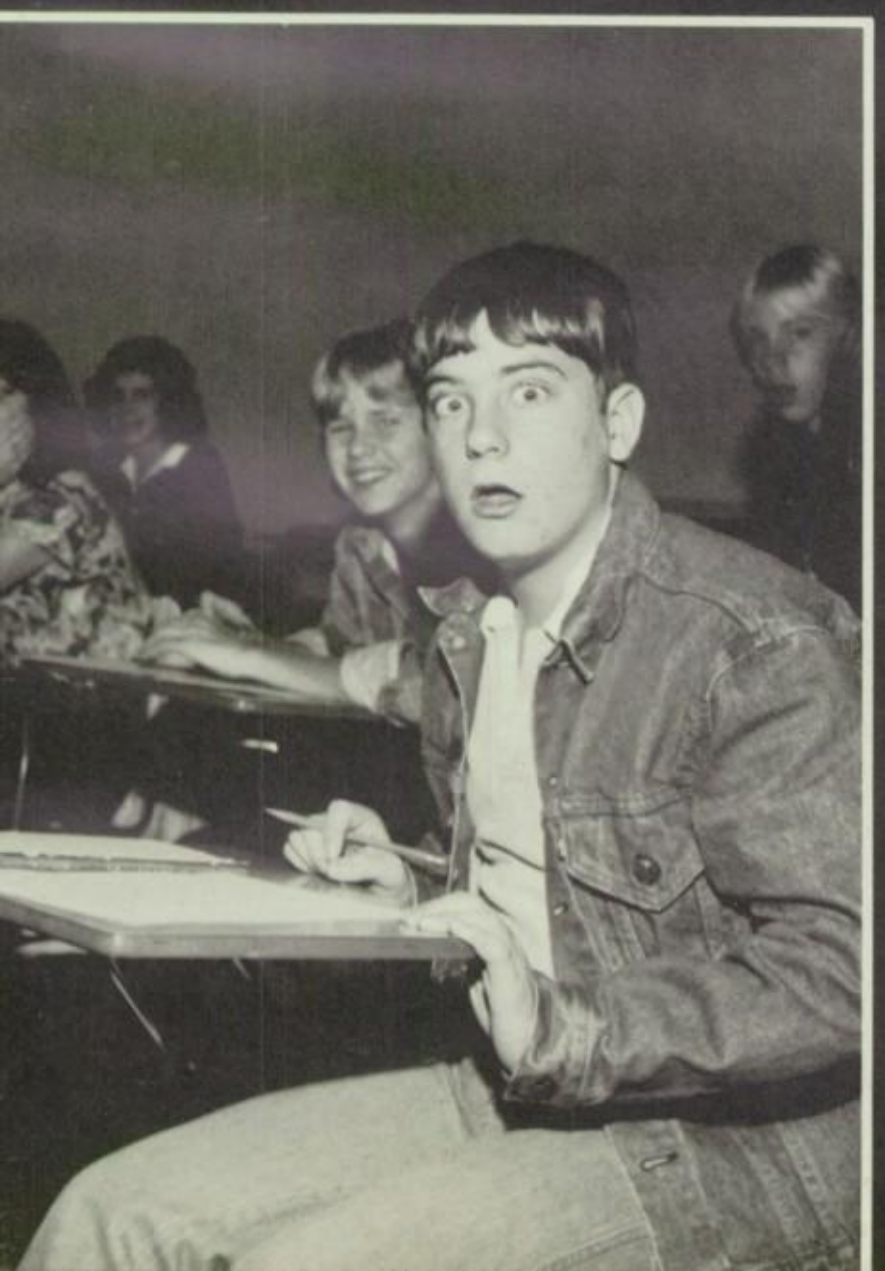






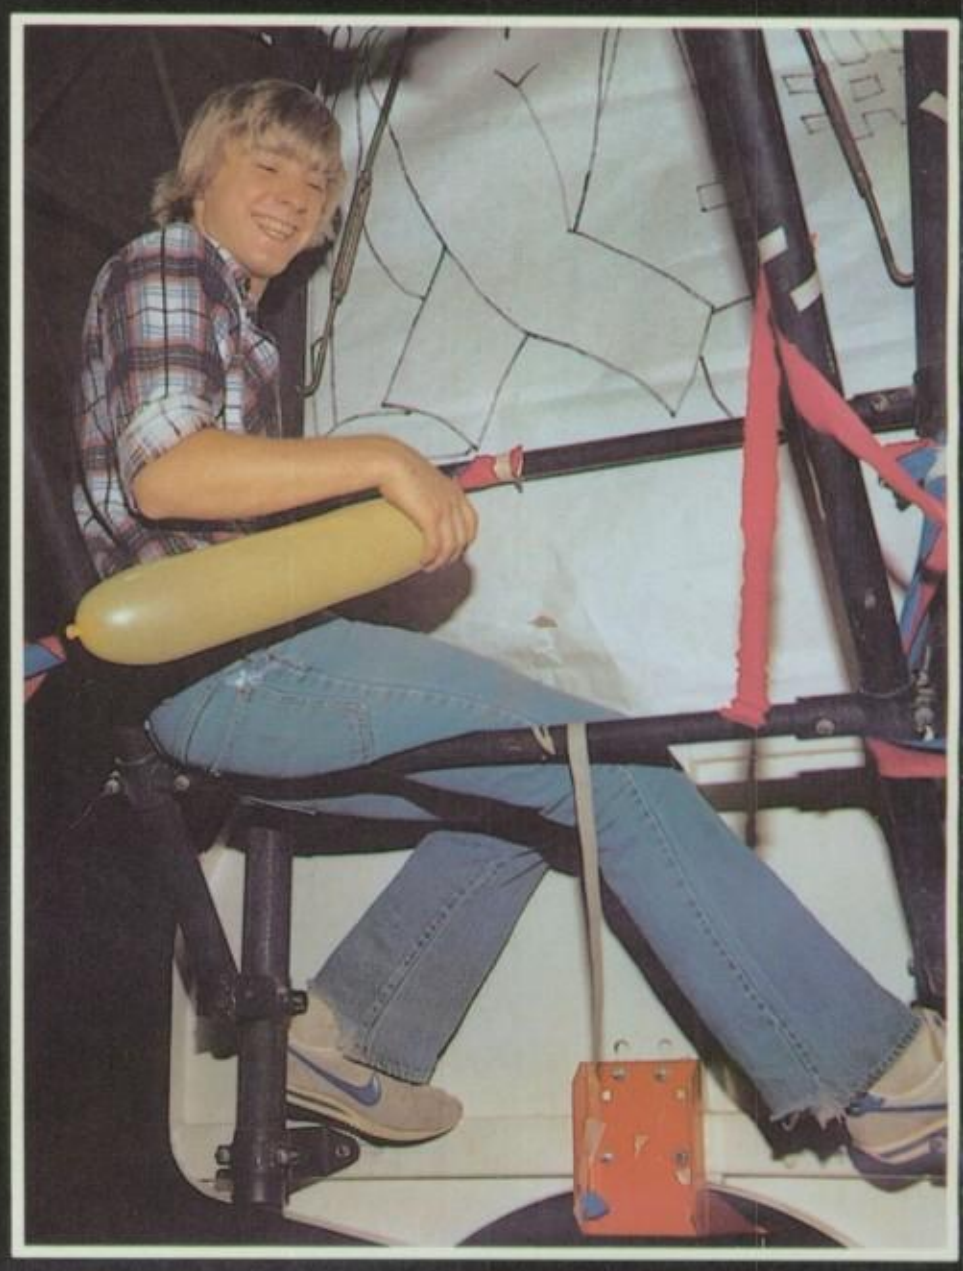
In the Land of Make Believe.

There is something
in Vestavia that
sets the Rebel
blood astir;



We must
rise and
follow her

And hold
high her
shining flame



Forever we
will honor the
fond memory
of her name.

ACTIVITIES

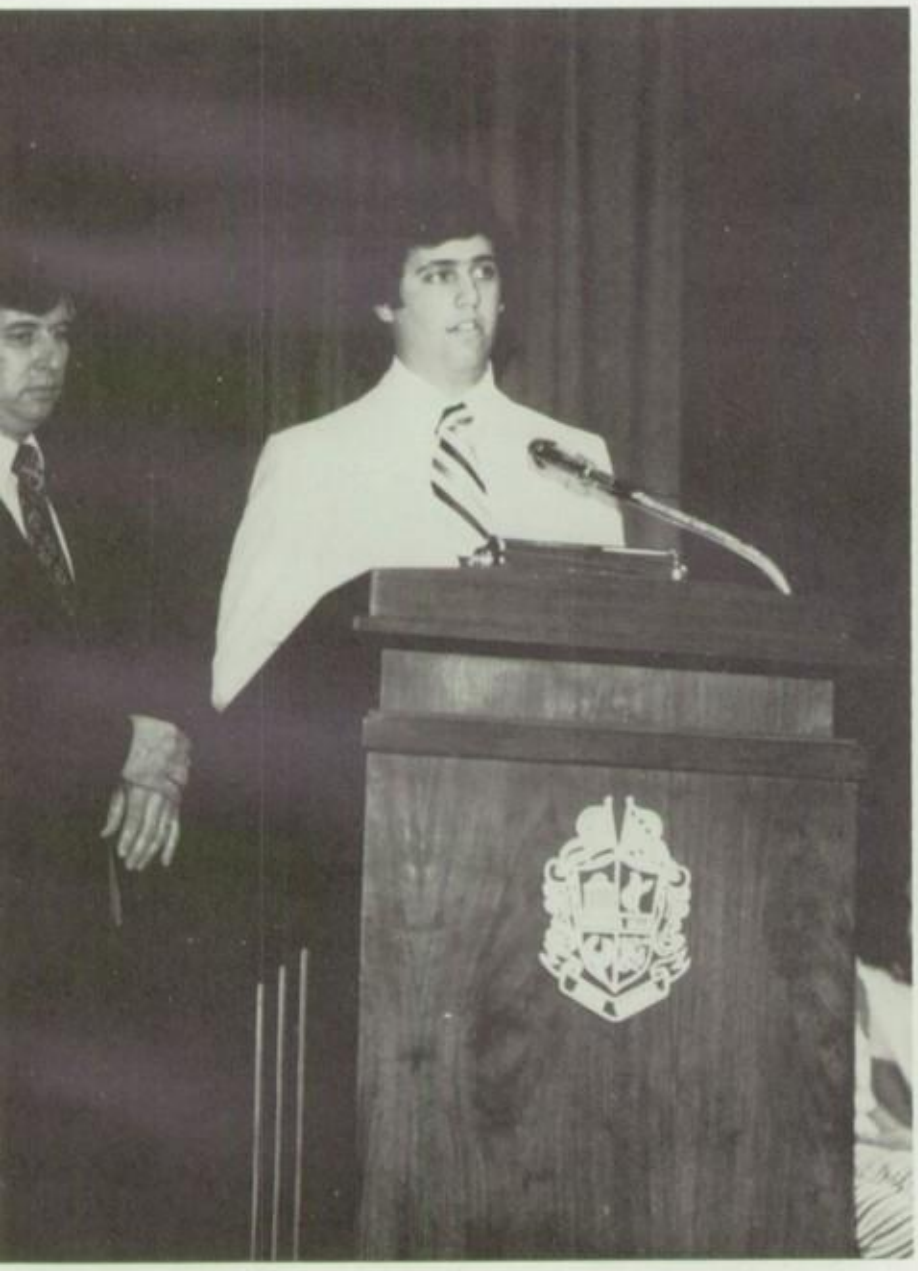
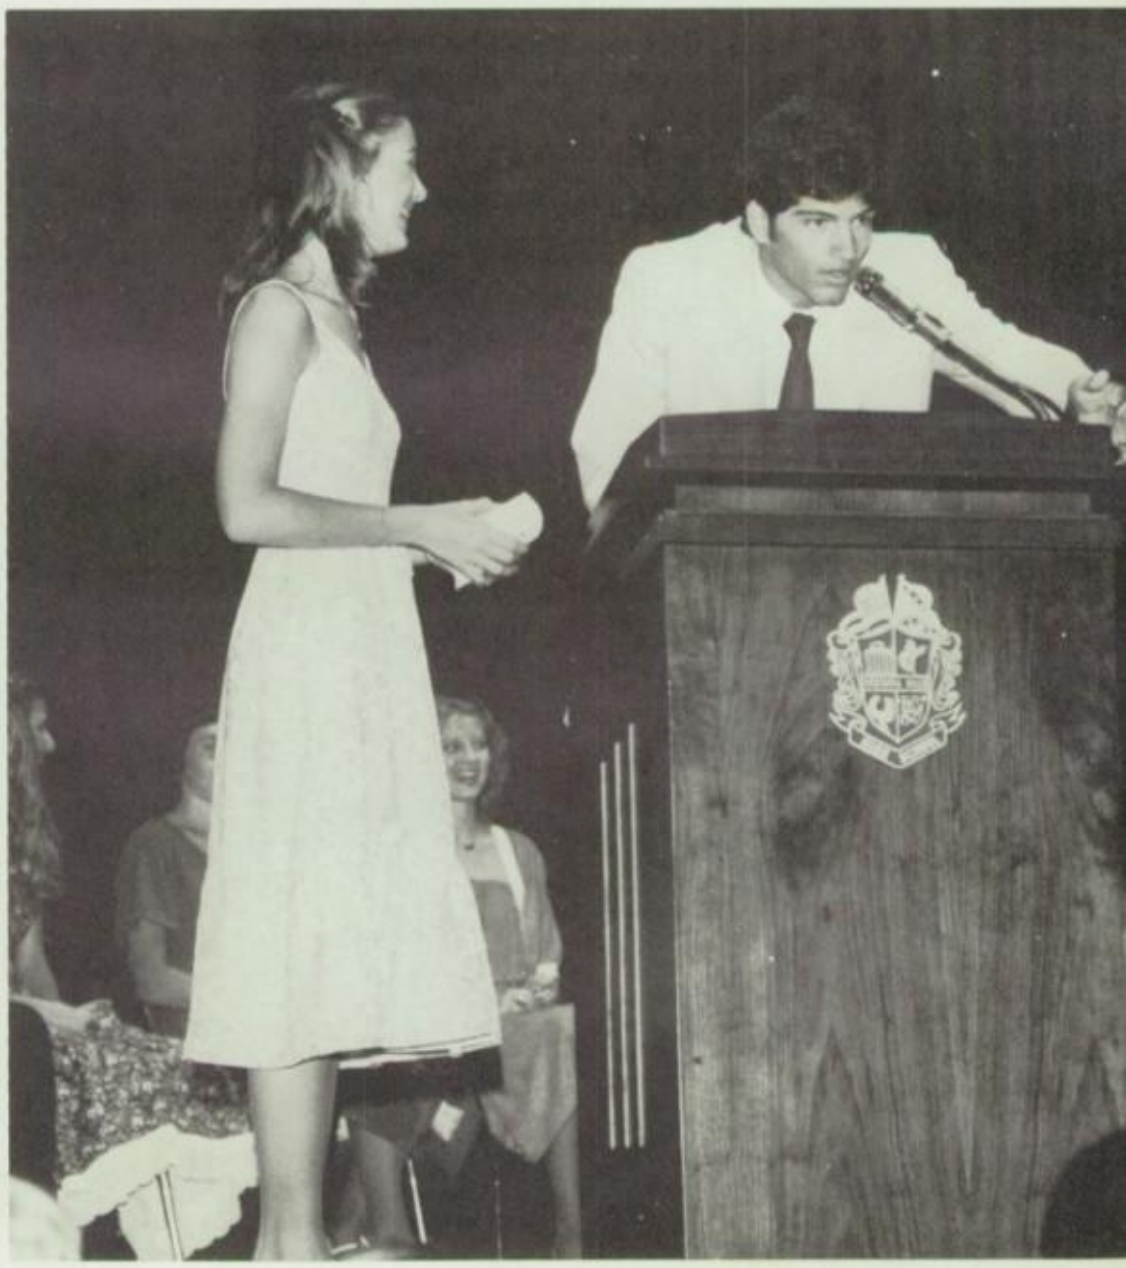
Fond Memories of Past Traditions

The 1978-79 school year closed amidst an array of traditional activities. The first of these, the Boys Beauty Walk was an entertaining spectacular won by David Rikard. Later in the spring, the auditorium stage was set for a different type of activity when the National Honor Society held its annual tapping in recognition of academic excellence.

Juniors and Seniors alike were involved in additional activities which marked the year's end. Of these the Prom was a highlight as a result of the months of hard work by the Prom Committee. The theme "Take a Ride on a Riverboat" was showcased by glittering decorations and climaxed by the formal lead-out. After the excitement of the Prom, the Juniors and Seniors engaged in vigorous campaigning which had its ultimate conclusion in the installation of student government officers. Before the Seniors' final farewell, they enjoyed deserved recognition at Awards Day, Class Day, and Graduation.





SOUTH PACIFIC
Another Smash Hit

Talent, creativity, and hard work once again proved to be a successful combination in the production of SOUTH PACIFIC. Under the direction of Miss Beverly Brasell and technical supervision of Mr. Jim Shoemaker the cast and crew gave three extraordinary performances with the leading roles performed by Kathy Conyers, Steve Greenfield, Deborah Palmes, David Coker, Glenn Eskew, Kyle Holman, Melanie VanReenan, and Marty Higgenbotham. Set during World War II the story presented hope through optimistic views of the army nurse Nellie Forbush and considered the question of prejudice as expressed in the memorable line, "You have to be taught to hate."

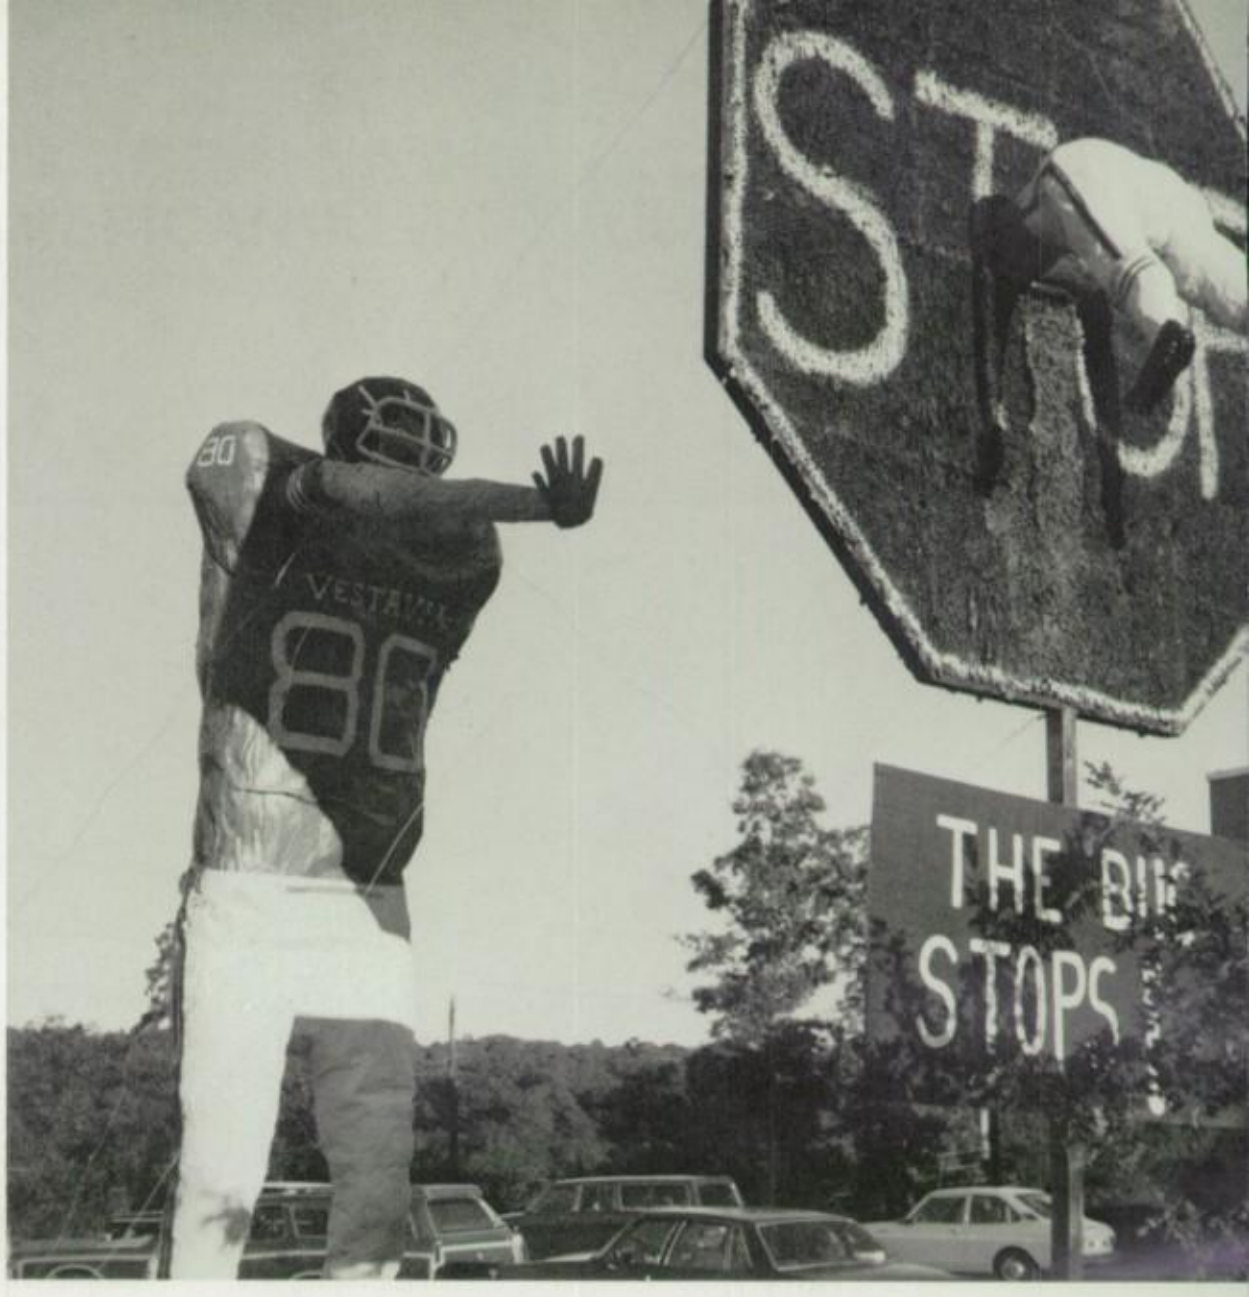
Homecoming Stirs Excitement

The excitement of Homecoming began mounting as classes and clubs vigorously worked to complete their floats and displays. The Thursday of Homecoming week, the tension increased as the classes scurried to add final touches to their displays and the students attended the traditional bonfire and pep rally.

Friday's activities began with the pep rally where the Senior class was announced as the winner of the hall decorations and Sophomores took the spirit stick. That afternoon clubs could be seen coming from all directions as they hurried to get their floats in place on the school's track. Pre-game activities, announced by Mr. Herb Winches, included performances by the choral group, Rebelettes, and the band with the added touch of Mary Buck riding her horse and carrying the Rebel flag. During a spectacular halftime show, the Homecoming Court was presented with Kim Hobbs being crowned Queen, and the Senior class was announced the winner of display competition. After an exciting fireworks show, the crowd was overwhelmed by the hovering helicopter which lowered the Rebel flag, causing the student body to burst into a frenzied round of "Dixie." The night culminated with the annual dance sponsored by the Leo Club and featuring "Vagus."



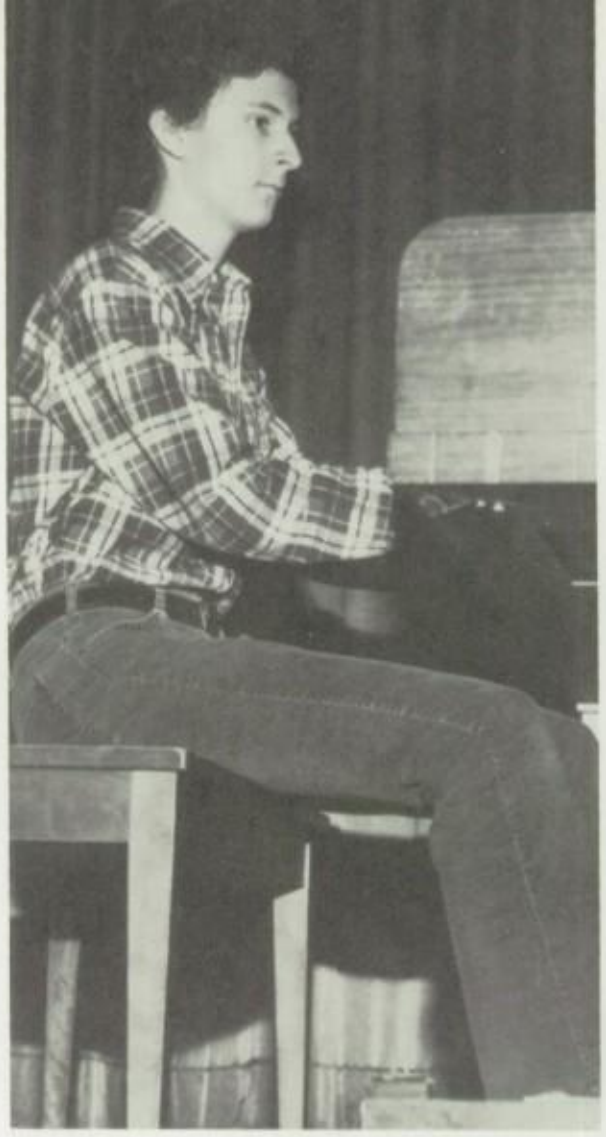
THE DIARY OF ANNE FRANK

A Touching Drama

The dramatically moving presentation of the DIARY OF ANNE FRANK touched the hearts of all who attended. Masterfully directed by Miss Beverly Brasell with assistance from Mr. Chris King, this gripping drama proved to be a thought-provoking production as well as an artistic success. The intricately designed set, created and built by Mr. Jim Shoemaker, produced the atmosphere of drudgery and suffering endured by the participants in the tragedy of eight Jews and their attempts to escape Nazi oppression as seen through the eyes of the young Anne Frank. The real life figures involved in this daily struggle were portrayed by Melanie VanReenan, Glenn Eskew, Kyle Holman, Debra Palmes, Lois Grupe, Roy Ash, Karl Benton, Paige Eaves, Greg Wesson, and Debbie Lockhart.

Creative Students Perform Talent

The 1979 talent show, sponsored by the student council, was a tremendous success. Vestavia has many talented students from singers to dancers, musicians to gymnasts. First place was awarded to Dawn and Daphne Zellers for a beautiful song and guitar rendition of their original composition. Gena Everling, a very talented majorette and gymnast, took second place with her dazzling baton twirling. The modern jazz tap performance by Cindy Hartsell was awarded third place.



Cans and Cold and Monkey Grass

To add dimension to the school year, SGA, PTA, and the Pep Club sponsored different activities. SGA sponsored a Thanksgiving canned food drive in which boxes of food were prepared and taken to five families. Competition was held between homerooms to see who could bring in the most food. The winners, Mr. Ballard's and Mrs. Turner's homerooms, won a Hardee's party for their efforts.

In order to beautify the school grounds, the PTA sponsored a Work Day for the Seniors. During the day the students planted monkey grass and shrubs, pulled weeds and laid pine straw. Everyone joined together for a day of fun and hard work to complete a worthy cause.

The Powder-puff football game, planned and organized by the Pep Club, was a tremendous success. The sophomore, junior, and senior girls practiced a few days before to plan their strategy. They were coached by the members of the football team and even though the day was excitingly cold, the Seniors won over the Juniors 12-0.

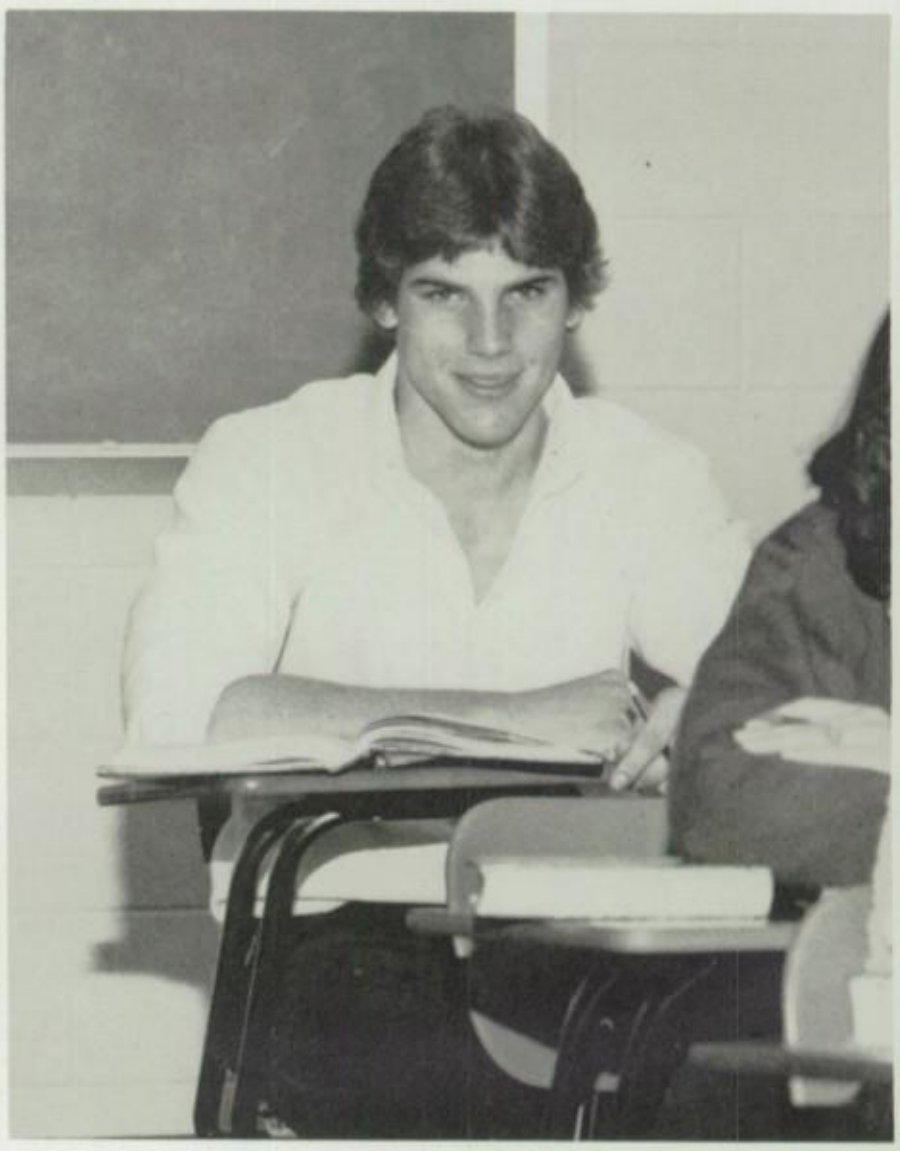
Boys' and Girls' State Representatives



Boys' and Girls' State is an educational training for senior boys and girls. The representatives learn the operations of government by taking an active part in the political life of the community. They also learn the duties, responsibilities, and privileges of being an American citizen. This year Vestavia Hills High School salutes our representatives — Bridgette Monroe and David Cunningham.

1980 Miss Reveille Pageant:

The Miss Reveille Pageant opened with a hectic, fun-filled day of preliminaries. First, the contestants attended a coffee where they were introduced to the judges. Immediately following, the girls went to three minute interviews. The judges focused on the poise and appearance of the girls in the evening gown and swimsuit competition. Due to the spectacular talent, the judges named three special talents and a Top Twelve. The night of the pageant, all ballots were discarded and the judging began again. In front of a crowd of standing room only, the girls produced a dazzling display.

The Student Council, composed of ten officers elected by the student body and a representative from each homeroom, serves in matters which concern the entire school. The Council helps develop good citizenship and provides orderly direction of school activities. The half-time entertainment at Homecoming, including an extravaganza of fireworks and the lowering of a Rebel flag by a helicopter, exemplifies their hard work. Other projects of the Council have included collecting canned goods which were donated to needy families and the Ronald McDonald House, publishing the Student Directory at the beginning of the school year, and producing the Boys' Beauty Walk and the Talent Show.

Provides Halftime Entertainment

BAND DIRECTORS: Ron Smith, Ted Galloway, and Joe Terry.

The 150-member Vestavia Hills High School Band begins practicing in mid-August to prepare creative and entertaining shows for presentation during football season. At pep rallies, members help boost the spirit of the student body with their renditions of such tunes as "Dixie" and the ever popular "Land of Make Believe." In addition to these activities, the band participates in various contests, and annually marches in Vestavia's Dogwood Festival Parade. Truly Vestavia Hills High School has "The Best in the Land — the Rebel Marching Band."

DRUM MAJOR: Nick Jovings

How's this Mr. Galloway? (C. Smith.)

Majorettes, Drum Corps, and Color Guard

The Majorettes, Drum Corps, and Color Guard add a definite touch of Half-Time variety at Vestavia. They also provide entertainment at pep rallies by performing with the band. The majorettes, who are under the direction of Audrey Sanders, attended camp at Auburn University this summer. Their hard work there and during band practice is obvious in their ability to amaze audiences with their twirling skills. The Drum Corps, under the direction of Ron Smith, practices long hours to achieve the military precision seen in performance. The corps also keeps the beat going during cheers at pep rallies and games. The Drummers attended camp at Jacksonville State University. The Colorguard which includes flags, rifles, and honor guard is directed by Joe Terry. They received the top trophy for their performance at the University of Montevallo camp during the summer. They also received a superior trophy at the Berry Marching Festival.

Both bands participated in the local Solo and Ensemble competition.

After football season is over, the Rebel Marching Band divides into Symphonic and Concert bands to play classical music. The two bands give Christmas and spring concerts where students can enjoy a different style of music. The bands participate each year in District Contest which is held in March. They then go on to compete at a state level at Samford University in April. The band always provides musicians for the school musical and is indeed a valuable asset to VHHS.

The Concert Choir is composed of a select group of singers whose main purpose is to study, perform, and gain a better understanding of the importance of music. Among annual performances are a school Christmas concert, an Antebellum Christmas event at Arlington, and programs at various churches throughout the year. One of the group's efforts goes into an 18th century setting Madrigal Dinner which has been a huge success for the past several years. The Choir is well known for its superiority at competitions which are based on singing and sight-reading. It is a privilege to have such a fine group of vocalists at VHHS under the leadership of their hard-working director, Mr. LeWayne Fleming.

Although only in its second year, Junior Exchange has proven what a new club can accomplish through hard work. Taking top honors in the Homecoming float competition is one of the examples. The club has undertaken such projects as the almost insurmountable task of cleaning the football stadium after all home games and ushering the fall play. The spirit and enthusiasm of the Junior Exchange Club made it a valuable asset to Vestavia Hills High School.

Rebel Yell Reveals Rebel News

The Rebel Yell — the VHHS newspaper — is now in its eighth year of publication with a staff of fifteen members. The staff works hard each month to produce an informative and entertaining edition concerned with school news and events. The highlight of each year is the special senior keepsake edition which the staff publishes in May.

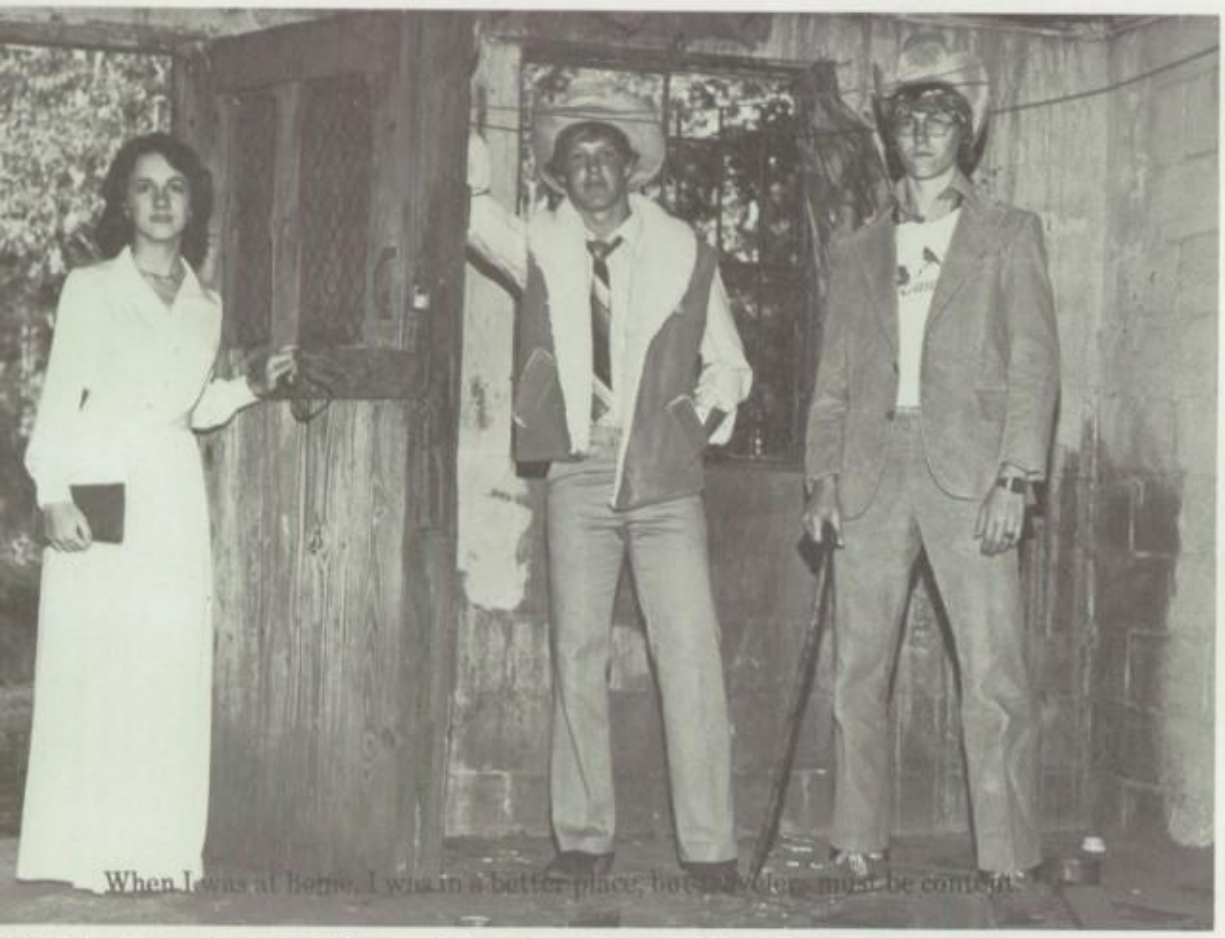
Muse — A Quality Publication



ITORS: M. Mitchell — Art Editor, T. Wood — Literary Editor, R. Swagler — Editor.

Each May, the student magazine, *Muse,* is published. Throughout the year the staff considers art, poetry, photographs, movie-book-and-record reviews, short stories, essays, music, and short plays for publication. In the fall, the staff competes in the Alabama High School Press Association Literary Magazine Competition. The staff members raise funds for publication through patrons, movie showings, spirit chains and assemblies. The objectives of the Muse staff are to learn critical techniques in writing and art work, and to serve as means of recognition for student endeavors.

Moments of hilarity, frustration, tension, and exultation are all a part of the tradition of an annual. It is a process that begins in early summer with the selling of ads and continues until the final presentation in May. In the intervening months, a flurry of activities consumes the staff — writing and rewriting the copy, producing headlines and captions, identifying 80 unknown people in one small picture, staying up all night, rushing to the post office, and meeting final deadlines. Then, after weeks of expectant waiting are over, the long-anticipated volumes arrive. It is with great pride that the 1980 Reveille staff presents a year of tradition.

Rebels Embarrass Spartans, 36-14

The Rebels showed no mercy against Mountain Brook on the traditional season opener for both teams. The Rebel attack, headed by Danny Salchert and Lance Gulledge, totalled 486 yards. Gulledge was leading rusher for the Rebels, gaining 172 yards in 23 carries. Salchert completed 9 of 13 passes for 129 yards, two of which were touchdown passes to Mike Spink and Phillip Lee. The Rebel defense led by Jack Gillum and Larry Paulin held the Brook to only 31 yards rushing.

We can't wait to get at those Spartans. (L. Paulin, B. Bryan, B. Jackson)

It looks like rain. (D. Cunningham, J. Gillum)

Rebels Sink the Vikings, 13-8

The Rebels started off on the right foot by turning back the first Walker attack and answering with 6 points scored on a 2-yard run. Robert Kirkland kicked the extra point. Later in the second quarter, Walker scored on a 3-yard run and took the lead, 8-7. The third Walker attack was stopped with the interception of a Viking pass by David Anchors; however, the Rebs were unable to score. It was a fight to the finish, but Vestavia came out victorious. The Rebels' final score came in the fourth quarter when Walker, deep in their own territory, muffed a punt and were forced to turn the ball over. Lance Gulledge ran the final 3 yards for a Rebel touchdown, making the final score 13-8.

Rebels Do It to Hewitt, 43-0

The Rebels had no problem downing Hewitt, 43-0. The Rebs scored four touchdowns in the first half. Danny Salchert, the Rebel QB, scored on runs of 13 and 14 yards. The other two scores of the first half came on an 11-yard pass from John Wilson to Pat Schiffman. Wilson also returned a punt to the Hewitt 18-yard line to set up another score. The tough Rebel defense led by Joe Cain, David Anchors, David Jordan, Larry Paulin and Hill Creekmore, did not allow Hewitt to get a first down until the third quarter. Both offense and defense played outstandingly that night.

Simon says . . .

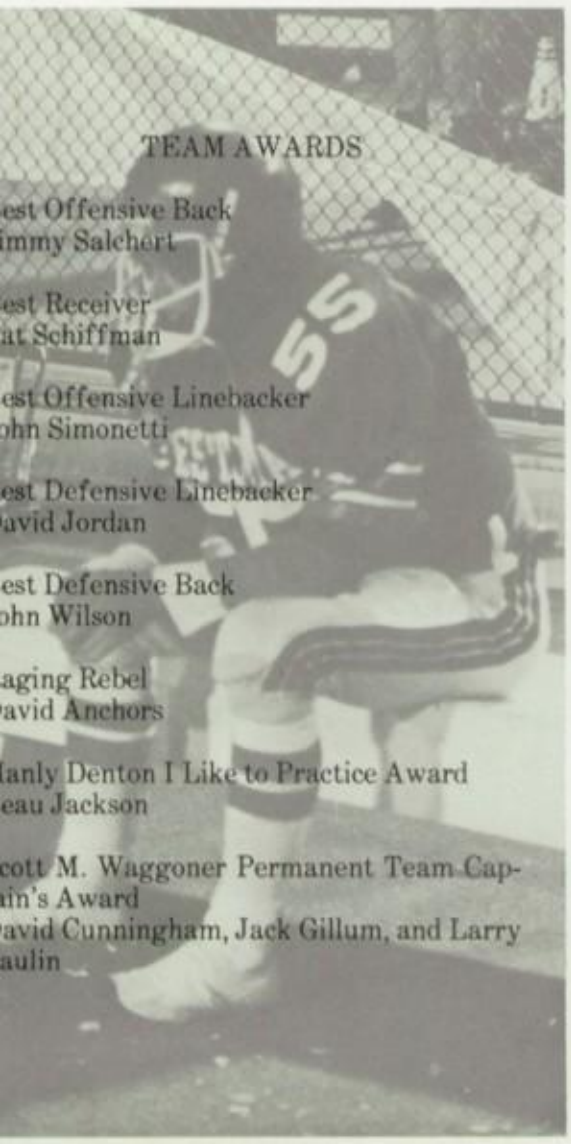
The Vestavia's defense tightens up.

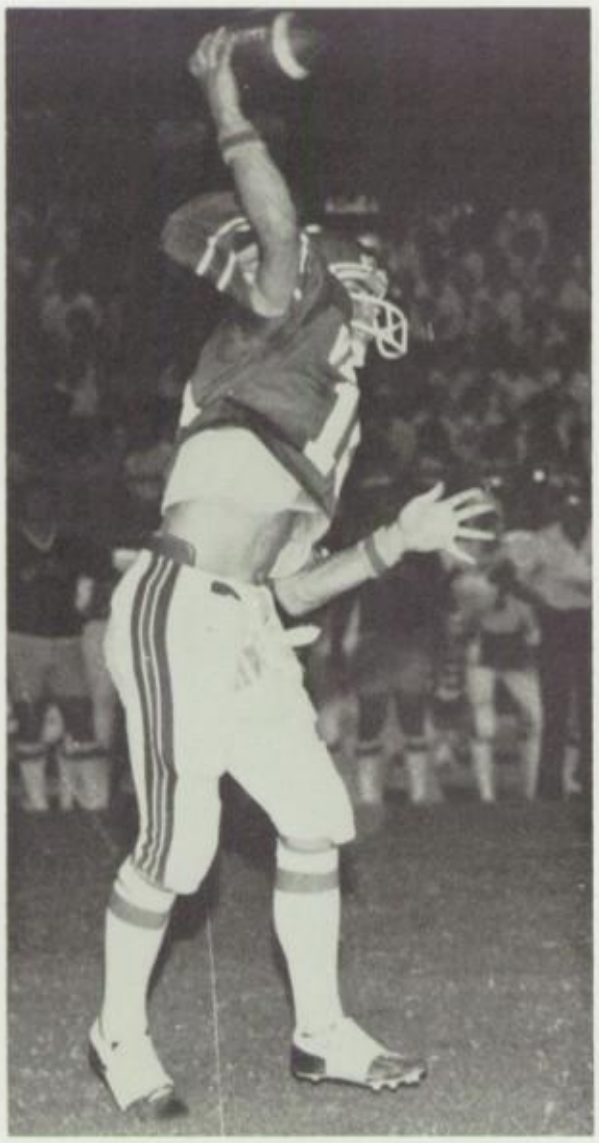
Rebs Win One, Lose One

The Rebels spoiled Minor's homecoming, 17-0, but were defeated at their own by the Berry Bucs, 20-7. The Mighty Rebs' march over the Minor Tigers was highlighted by the Vestavia defense, who held Minor to only 25 yards rushing. Putting points on the board were Lance Gullesge, who came in from the 10-yard line to make the first score of the game; Jimmy Salchert, who scored on a spectacular 55-yard run, and Robert Kirkland, who booted two successful PAT's and kicked a 20-yard field goal capping the Rebel victory.

Vestavia homecoming was another story. The excitement must have been too much for the Rebel team because Berry took control of the ball from the first snap. There was one bright spot in the game for Vestavia late in the game when they marched 89 yards for a TD and kicked a successful PAT.

One down, one to go. (L. Gulledge)





The Bionic Man (D. Salchert)

Rebs Run All Over Carroll and Homewood

Vestavia won revenge after a homecoming defeat the previous week by stomping John Carroll, 27-9 and Homewood, 31-0. At John Carroll Danny Salchert was outstanding, completing 5 out of 7 passes, running 33 yards in four attempts and completing a 2-point conversion. The talent of Jimmy Salchert was displayed when he ran a Cavalier kickoff back for an 80-yard touchdown run. The Rebels finished off John Carroll scoring two additional TD's by Scott Iler and Joe Robbins.

The next week Vestavia's superiority was evident as they annihilated the Homewood Patriots, 31-0. This superiority beamed early in the second quarter when Craig Farris downed the Homewood quarterback in the end zone for a safety. The offense also prevailed as Danny Salchert ran for three touchdowns and passed to Phillip Lee near midfield where the sophomore tightend ran for a 61-yard touchdown. Richy Rookis, another sophomore, completed a 2-point conversion. Vestavia compiled 420 yards and held Homewood to only 151 total yards.

Tell your wife you'll be in at 12:00. (Coach Anderson, Coach Dunn)

Look! It moved!

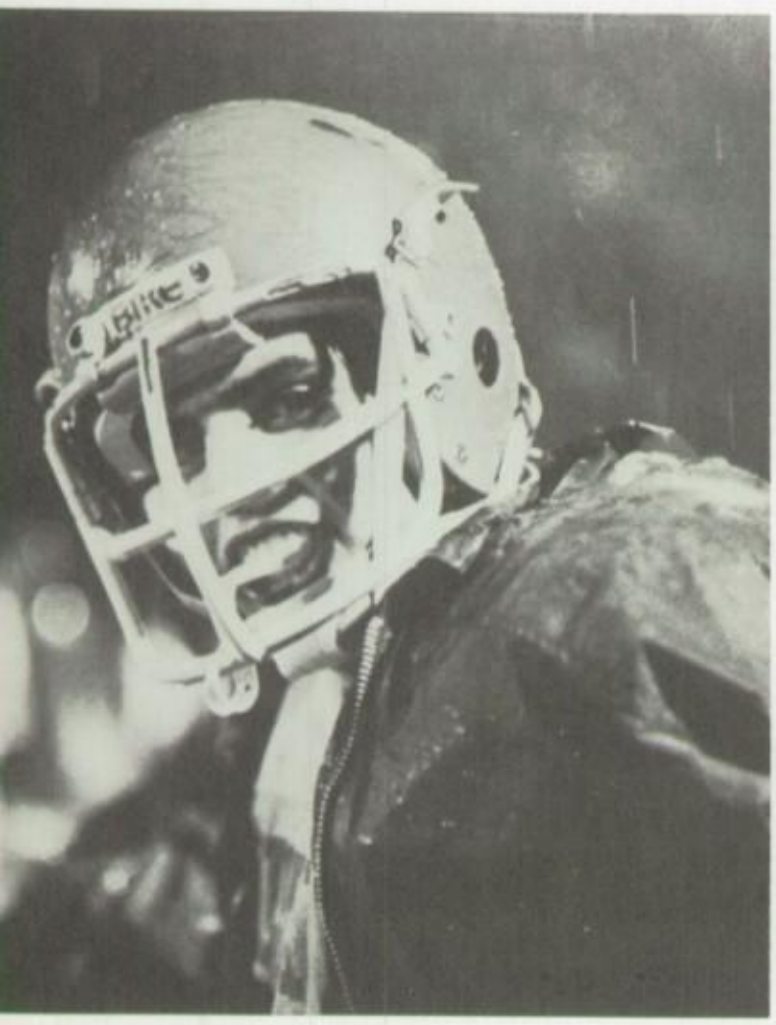
Rebs Beat Valley for Play-off Position

The Rebels had playoffs on their minds as they defeated the Shades Valley Mounties, 27-24. The Rebels, first score came on their first possession with a 45 yard run by Jimmy Salchert after Chris McCallum intercepted a Valley pass. The Mounties scored on the kickoff and tied it at 7-all. Then Valley went ahead when Fowler passed 35 yards to Reeder to make it 14-7. McCallum recovered a Valley fumble on their 26. Danny Salchert passed 15 yards to Mike Spink to tie the game before the half. Salchert got the final yard to cap a 78-yard scoring drive to open the third quarter. McCallum recovered another Mountie fumble and set up a Kirkland three-pointer. The Mounties scored on a 1-yard run. They kicked a field goal to tie the game. In overtime Robert Kirkland kicked a field goal to win the game, 27-24.

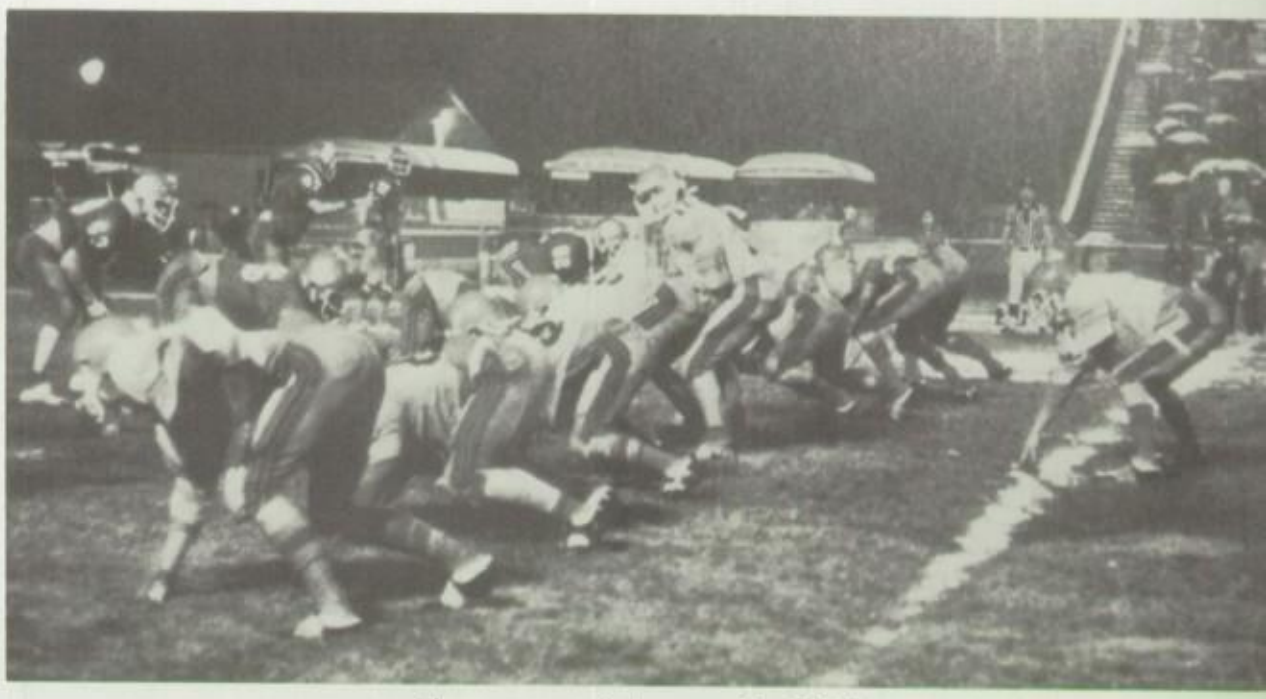
Rebels Fly by the Eagles, 17-14

Vestavia was crowned champion of Region 7 with a come-from-behind win over the Erwin Eagles. Late in the first quarter Lance Gulledge took a pitchout from Salchert and raced 57 yards for a touchdown. In the second half, Erwin scored a quick touchdown and two-point conversion to lead, 14-7. The Rebels drove to the Eagle 9 where Kirkland kicked a three-pointer. Going into the fourth quarter, Erwin drove deep into Rebel territory but fumbled on the Reb 33 where David Jordan recovered. A block by Phillip Esdale enabled Lance Gulledge to score and Kirkland kicked another successful PAT.

Why are we doing this?



Hi, there. (R. Kirkland)



The new game in town . . .Mud Ball!

Rebels Down Dega, 10-0

When it rains it pours and in this case it poured on Talladega. The Tigers took a 10-0 defeat at the hands of the Vestavia Rebels. John Wilson started at quarterback and scored the Rebels' touchdown in the second quarter. Wilson ran in from the 1-yard line capping a 64-yard drive. Kirkland added the extra point. The tough Rebel defense allowed Talladega the ball only 11 seconds. in the third period. Kirkland's 32-yard field goal ended the scoring of the night.

A dead chicken?? (T. Lochamy)

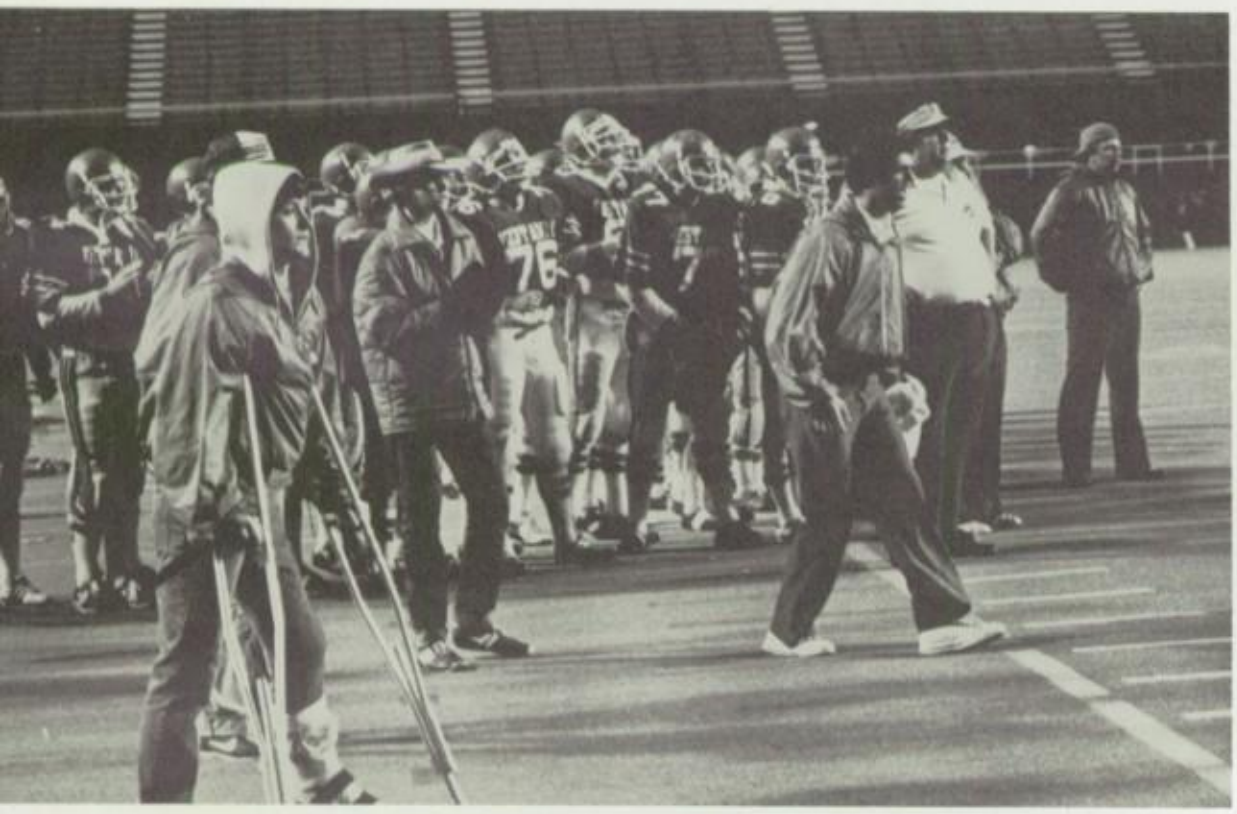
A little rain never hurt anybody. (B. Bryan)

Look out! Here we come! (P. Lee, J. Salchert)

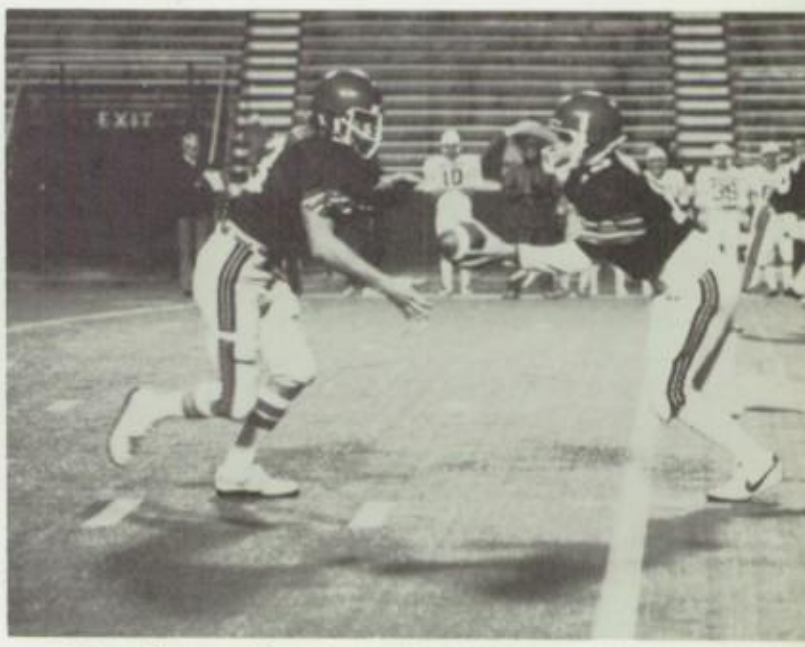
Uh, oh! (L. Gulledge)

Vestavia Banks the Jets, 21-0

Vestavia showed signs of being a true champion as they defeated Banks, 21-0, in the preliminary round of the 4-A State Playoffs. The Jets had only one good scoring chance all night. They drove to the Vestavia 4-yard line but the Rebel defense turned them away, with David Jordan dropping the quarterback for a 5 yard loss. The longest drive of the game was a 94-yard, 10-play scoring drive with the key play being a 40-yard pass to Pat Schiffman. The next Vestavia score came when the Banks QB made a bad pitchout, and Rebel linebacker Larry Paulin fell on the ball in the end zone. The final score came on a 32-yard pass from Danny Salchert to Pat Schiffman.



What's going on out there? (E. Thomas)



Here, Jimmy. You take it. (J. Salchert, D. Salchert)

Victory!

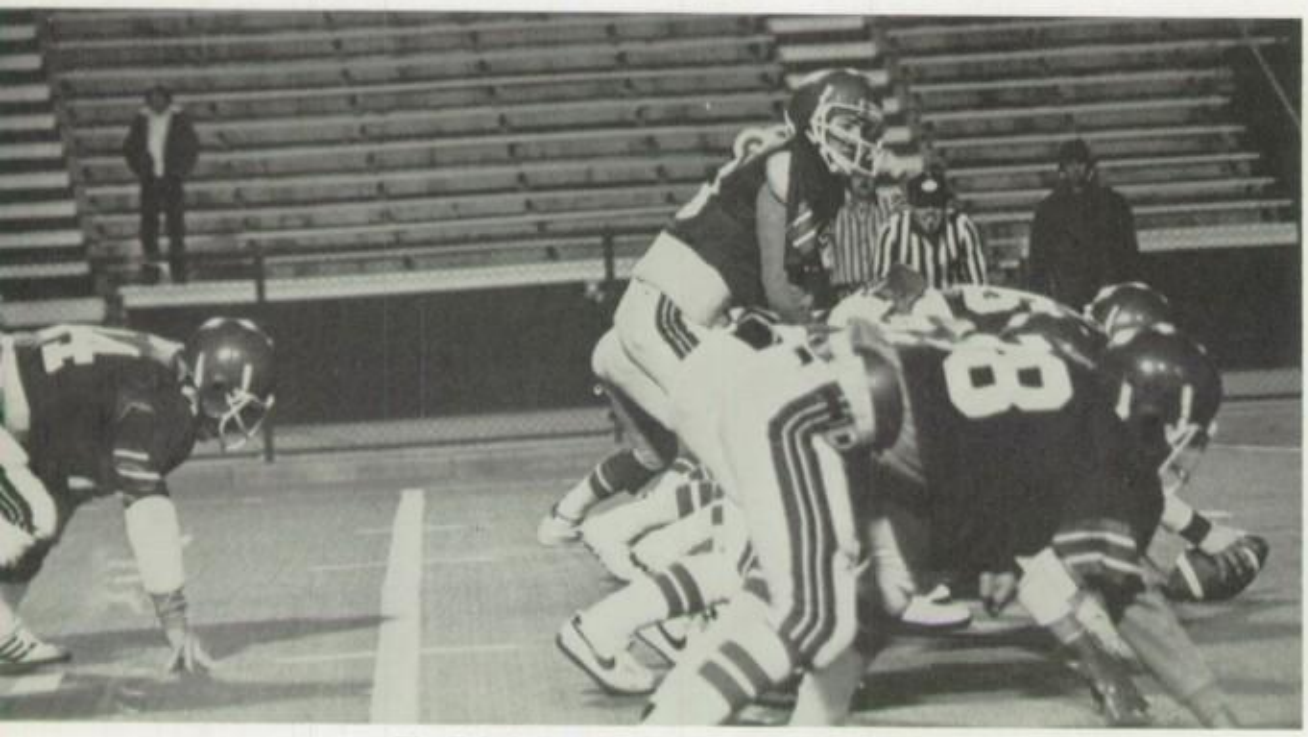
The Golden Toe Walks Over Walker, 10-7

Through steady rainfall most of the night the Rebels managed to again beat Walker, 10-7. Vestavia put together the game's only long drive by moving 80 yards in 16 plays. Lance Gulledge got the final 5 yards with a minute remaining in the half. The game was tied after regulation play. Kirkland kicked the winning field goal in the first overtime possession play after John Simmonetti blocked a fourth down field goal attempt by Walker.

Rebels Jump on Jaguars, 31-20

An excited Vestavia Hills ball club came into Legion Field for the semi-final playoff match against Johnson of Huntsville. The Rebels capitalized on fumble recoveries by David Jordan and Chris McCallum, and Jimmy Salchert was able to put 12 points up for the Rebels. Kirkland kicked both extra points to take an early lead of 14-0. On the third Vestavia possession Danny Salchert passed 45 yards to Pat Schiffman, capping an 82-yard, 3-play scoring drive. Kirkland kicked the extra point to make the score 21-0. After Johnson scored John Wilson took the ensuing kickoff and raced 91 yards for the Rebels' fourth touchdown of the quarter. The Rebel scoring ended when Kirkland kicked a 25-yard field goal in the second quarter.

Tree can never be uprooted. (D. Jordan)



The Rebels are ready to run over Johnson.

They're all after me? (D. Salchert)

Almost Counts Only in Horseshoes and Hand Grenades

"I never considered going for the tie" were the words of Vestavia head coach Buddy Anderson after the Rebels fell to the Enterprise Wildcats, 14-13. The Wildcats jumped to a 14-0 lead with 2:20 left before the end of the half, scoring on two pass plays. The Rebels' spirit was lifted when John Wilson passed 38 yards to Phillip Lee for a touchdown. Kirkland raised the optimism of Vestavia fans by booting a successful PAT. The Rebels were back in the game. The second half appeared to be a defensive struggle and it seemed that neither team would score. The situation quickly changed when the Enterprise quarterback pitched wildly to the trailing back who fumbled at the 50. The Reb's Craig Farris recovered at the Cats' 37. John Wilson took over the quarterback duties. Vestavia moved to Enterprise's 25 where, on fourth and 8, Wilson handed off to Rob Knifer, who ran for 9 yards getting the first down. The Rebels went as far as the Wildcats' 2-yard line, but were halted by a 15-yard clipping penalty. The Rebs snapped back on the next play as Wilson passed 18 yards to Pat Schiffman for a TD with 2:56 remaining in the state championship game. There was no question in anyone's mind that the Rebels could have settled for a tie making them co-champs. Instead, they went for the win. Coach Anderson sent Danny Salchert in as quarterback and moved Wilson to tailback. The tension was tremendous as Salchert took the snap and pitched back to Wilson. Wilson faked the run around the end and passed back to Salchert, who was in the end zone ready for the ball. Wilson's pass was good. Danny almost caught it, but an Enterprise player tipped the ball away. There were tears of frustration, disappointment and disbelief as time expired, leaving the score 14-13, but the Rebel Pride will live forever . . .

Wilson back to pass. (J. Wilson)

Kirkland shows his stuff. (R. Kirkland)

I wish we could play five more minutes. (R. Kirkland)

B-team and Frosh — Good Sign of Things to Come

The B-team, coached by George Prewitt, ended the season with a record of 3-3-1. One of their wins was against Berry, whom they slaughtered, 49-0. Their first game of the season came before they had much time to practice together. It was a hard fight and they played very well but did fall to the Spartans, 8-6.

Rebels ready for attack! (B. Brown)

The freshman football team ended their season with a 4-4 record and a feeling that they accomplished much together this year. Their most exciting game was against Homewood. The Rebels scored at the end of the game and Gary Hammond kicked a field goal, but it was no good. Time ran out and Homewood thought they had won it, 18-17, but had a penalty against them for too many men on the field. Hammond got another chance and kicked a successful field goal to win the game, 19-18.

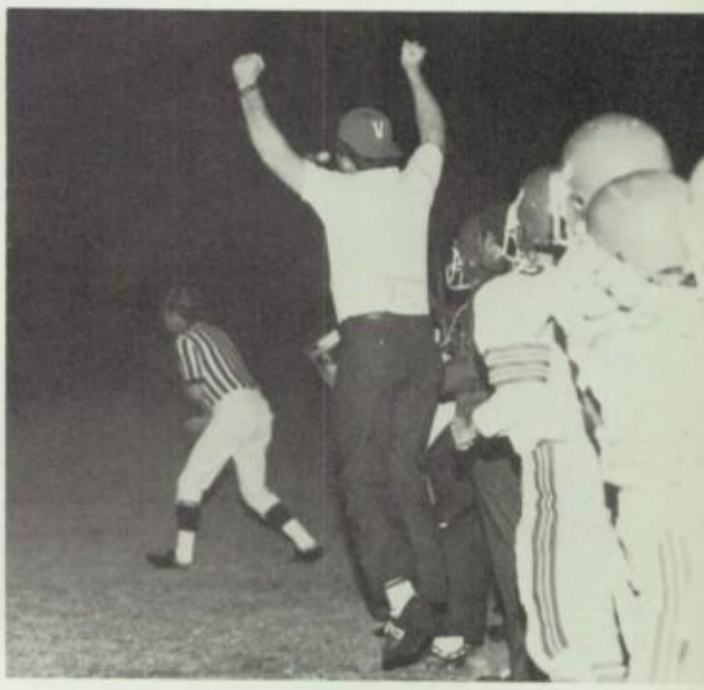
The Spirit of the Rebels



Varsity Cheerleaders Ado

The Varsity cheerleaders are a first rate squad. This summer they went to NCA Clinic at Auburn and won first place out of all squads there. They were rewarded for their cooperation, spirit and friendliness by receiving several spirit sticks during that week. They also received superior ribbons for their excellent performances. Kerri Woods was chosen to be an NCA instructor for this summer. Rebels are proud to be represented by the Varsity cheerleaders at all sporting events.

The B-team cheerleaders did a great job in promoting school spirit. They cheered at football games and pep rallies, basketball games, and wrestling matches involving B-team players. A week at UCA summer clinic earned them the Junior High Division Championship. These cheerleaders learned many skills at camp and have performed them at pep rallies and games.

B-Team Shows Team Effort

The Vestavia B-team Basketball team, under the direction of coach Sammy Dunn, has given their opponents all they wanted on the court this year. The big man, Wes Brandon and Philip Lee, led the team on offense and defense, but the team has no real stars. They play best together as a unit. One of the biggest accomplishments of the team was the 32 point annihilation of the Berry Bucs.

Freshmen Rebound the Season

The freshman basketball team broke even with a 5-5 record in the second half of the season after a slow start due to the football playoffs. The skill shown during the season was the result of a total team effort and the coaching of Peter Braasch. They ended their season with a 13-5 record and much optimism for the future of Rebel basketball.

Perfect Strokes for Different Folks

A difficult schedule and dedication makes swimming a challenging sport. The swim team maintains a strenuous schedule of daily practices from 6:00 to 7:45 in the morning, followed by an evening workout from 6:00 to 8:00 at night. Practice in the pool is not enough; the team completes a full program of exercises at Nautilus Gym twice a week. The hard work and dedication is rewarded by participating in two regular meets in the winter and the state championships in the spring.

Lady Rebels Are

The Lady Rebels, coached by Debbie Spiegner have provided exciting basketball action this year. They have destroyed their opponents by as much as thirty points. One of their more exciting games was against Austin played here at the Rebel Coliseum. The game was tied with six seconds left in the fourth quarter. Sheri Scholl took an inbound pass and hit a twenty foot jump shot to give the team a 56-54 win.

Tennis Is Their "Racquet"

The 1980 boys' and girls' varsity tennis teams consist of senior and junior players with three to five year's experience. Hours are spent after school practicing for matches against Huffman, Altamont, Homewood, Walker County, and Indian Springs. They attend a tournament in Tuscaloosa and finish the season with the State Tournament. The tennis teams are coached by Mr. C. Ballard and Mrs. B. Jones.

Golfers "Tee Off" Into a Great Season

The golf team, sponsored by Gary Sheffield, consists of students who enjoy participating in golfing competition. Their home course is Vestavia Country Club but they compete in matches against teams all over the state. Some of these matches are the Marion Tournament and the Regional Tournament. The boys also compete in the Hardaway Invitational. Vestavia is proud of Jeff Kaufman, who received a golf scholarship from LSU.

Letting Go

All my life you have thought for me, made my decisions and tried to mold me into your creation. Now that I am older, and will soon be on my own, I need to be free — free to think for myself, to make my own decisions, and become my own creation. You have done all that you can do; only I can do the rest.

I always respected your wishes and lived by your beliefs but the time has now come when you are saying "no" and I am saying "yes." The contradiction is not made to spite; it is made because of my wishes and what I believe in. I respected your views because you were adults, and now I'm asking you to respect my views because I am an adult.

I'm not asking you to say good-bye and close the door on me forever; I'm just asking you to give me a chance to try life on my own and to watch my trials and errors with misty eyes and loving hearts.

Sophomore Class Officers

Academics and Rebel School Spirit highlighted the sophomore year of high school. The frustration of first written term papers; geometric proofs, and animal dissections will long be vivid memories. Spirit will also be a favorite memory for the Sophomores for they won the spirit stick during Homecoming and three other rallies, decorated a hall and a Homecoming display and received a half day from school for having the most participants at the PTA Country Fair. The Sophomore class was certainly an outstanding one in 1980.

Love Ya,

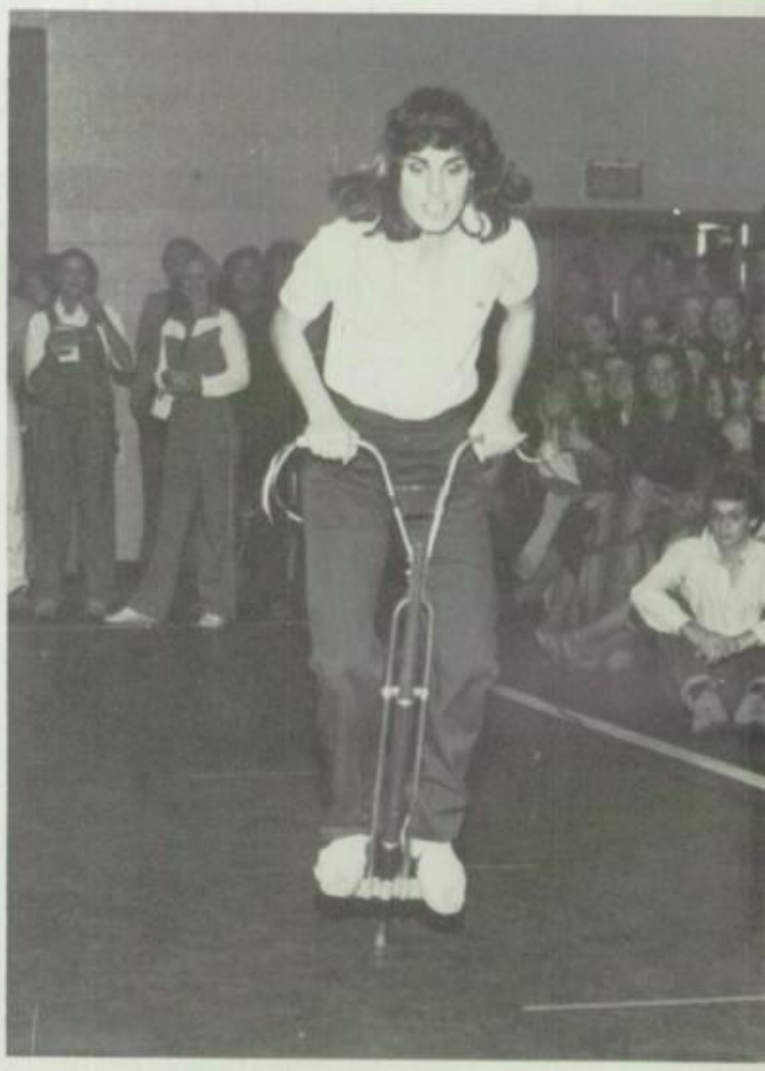
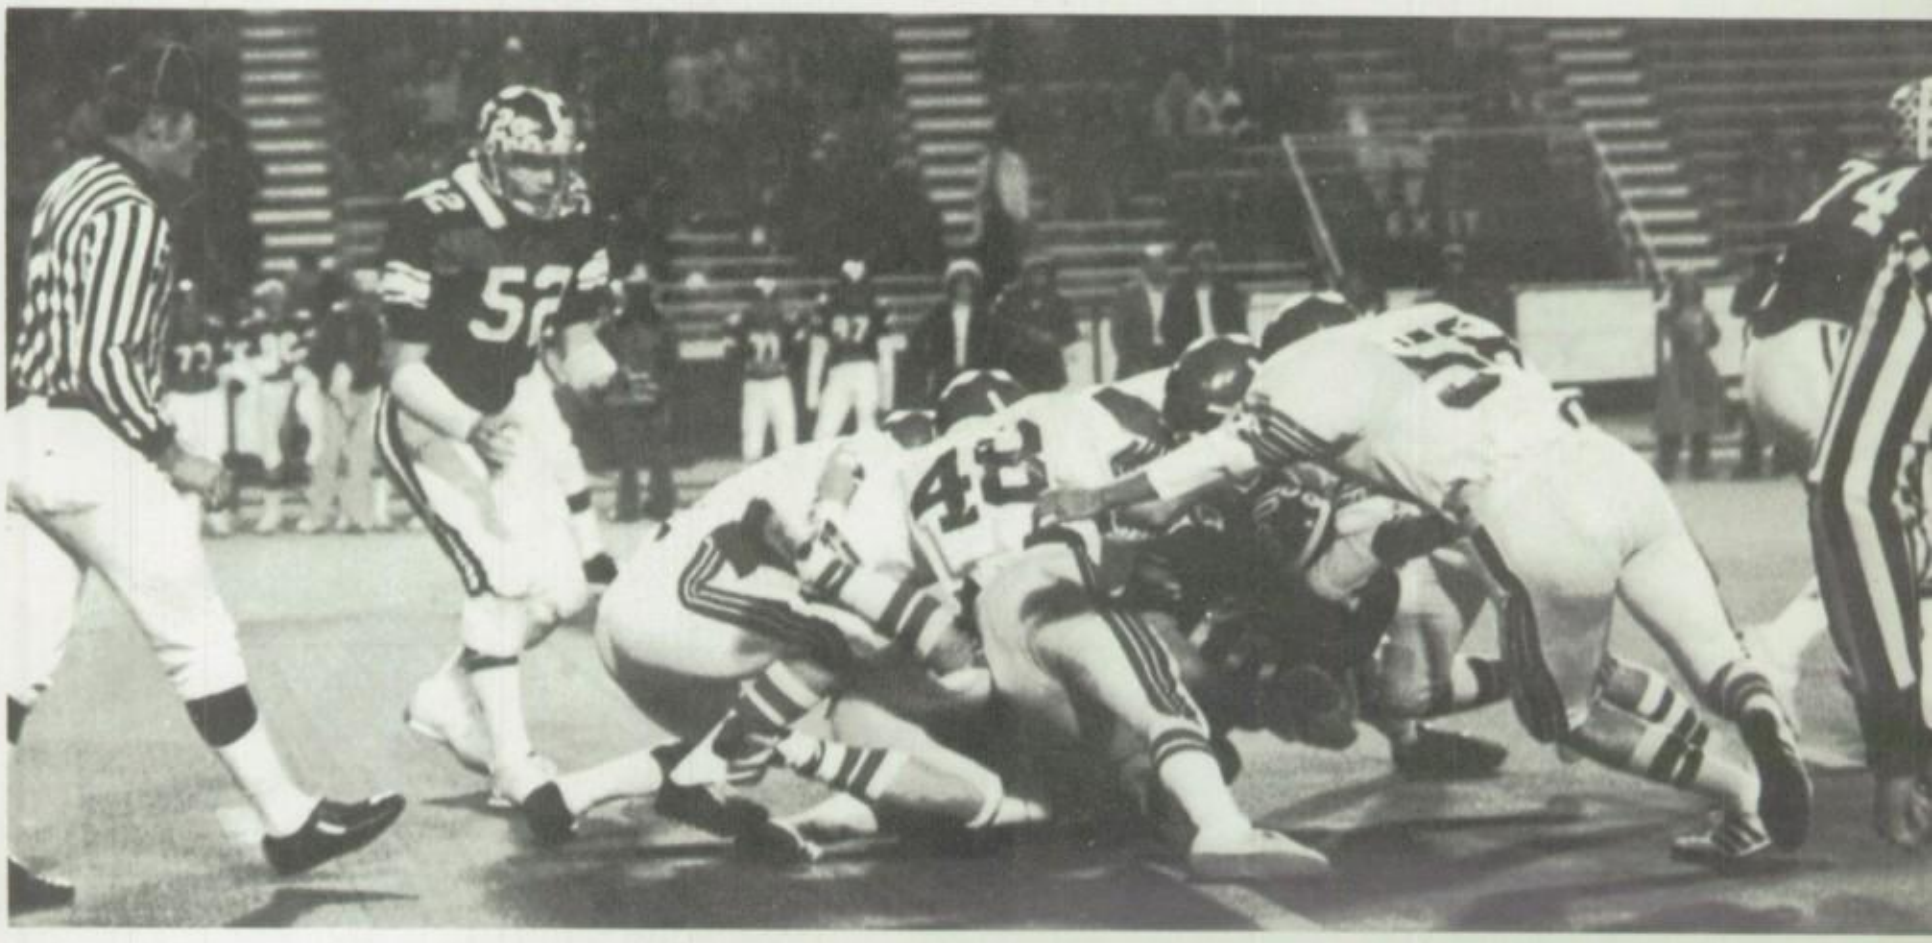
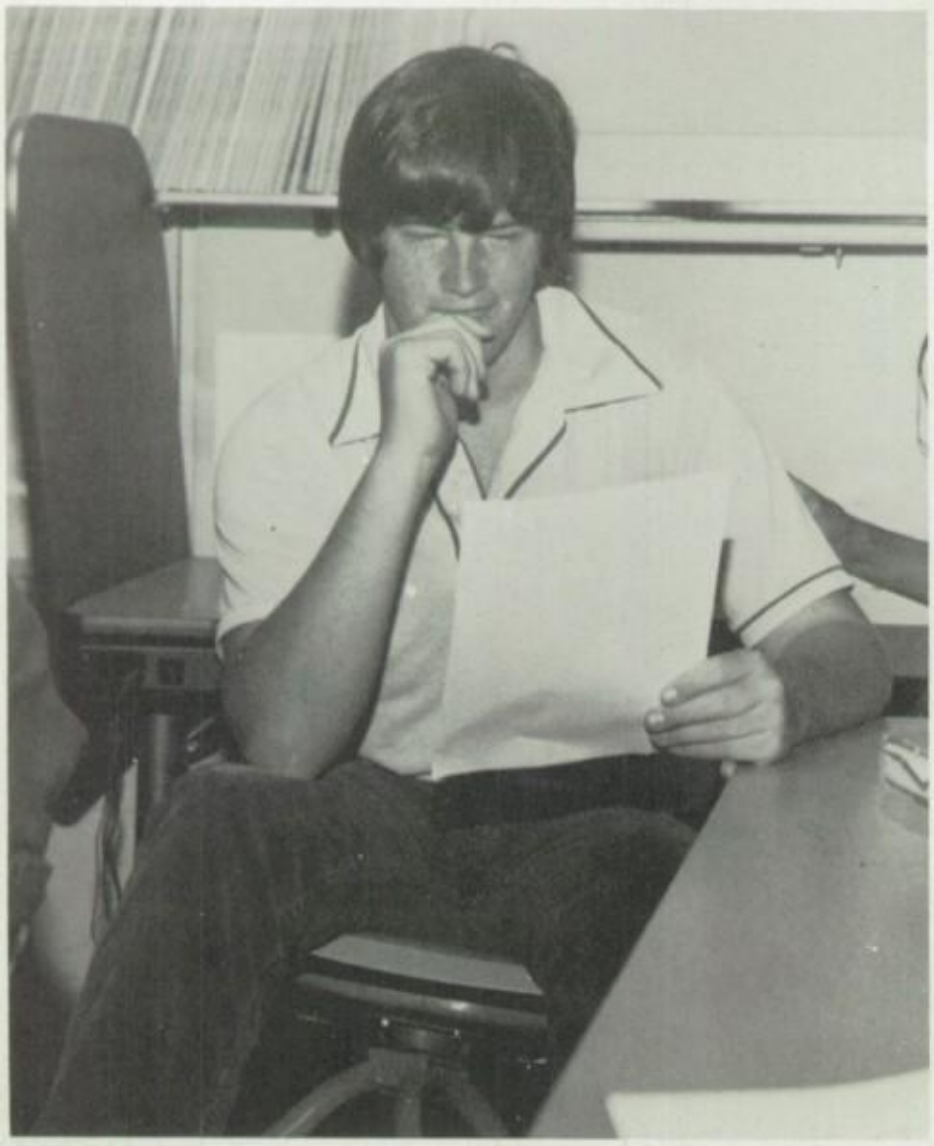
Another year gone by in the
heart of Rebel Country

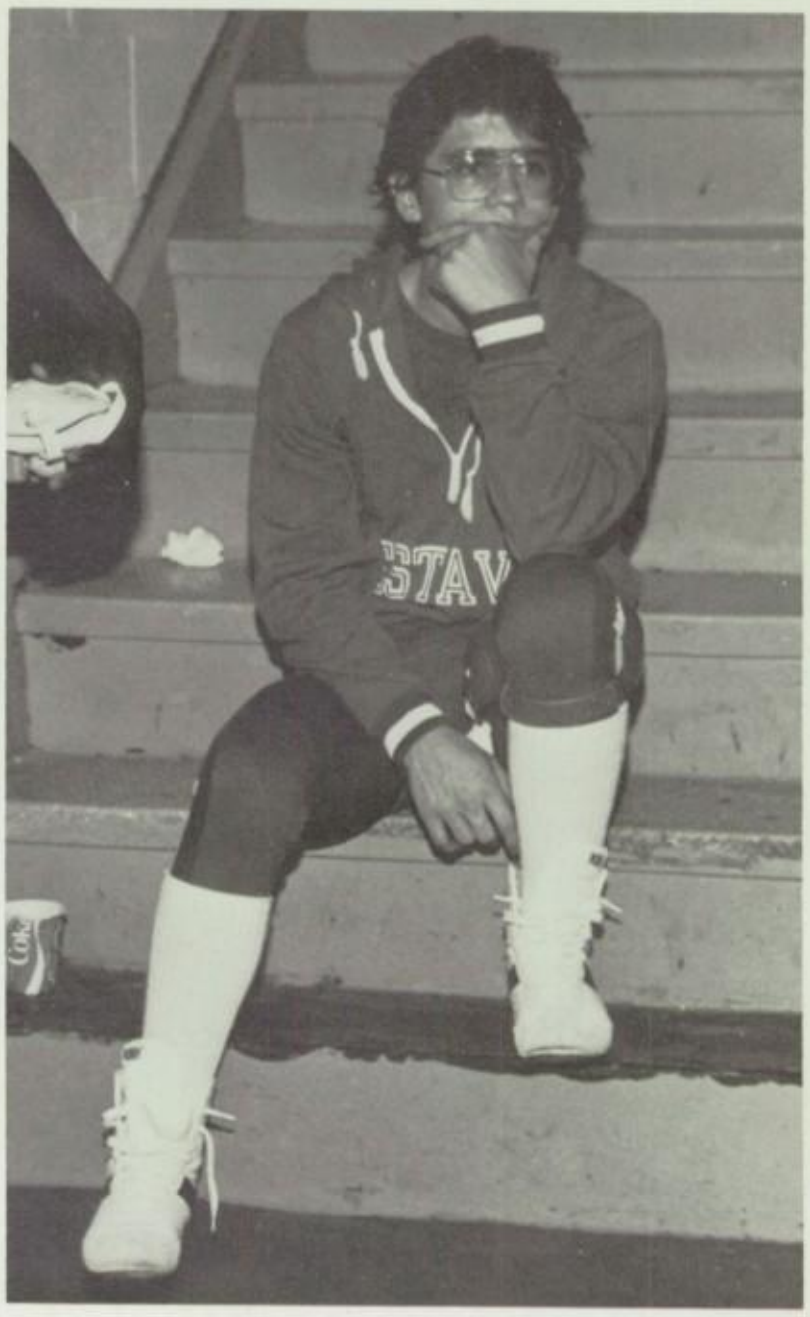


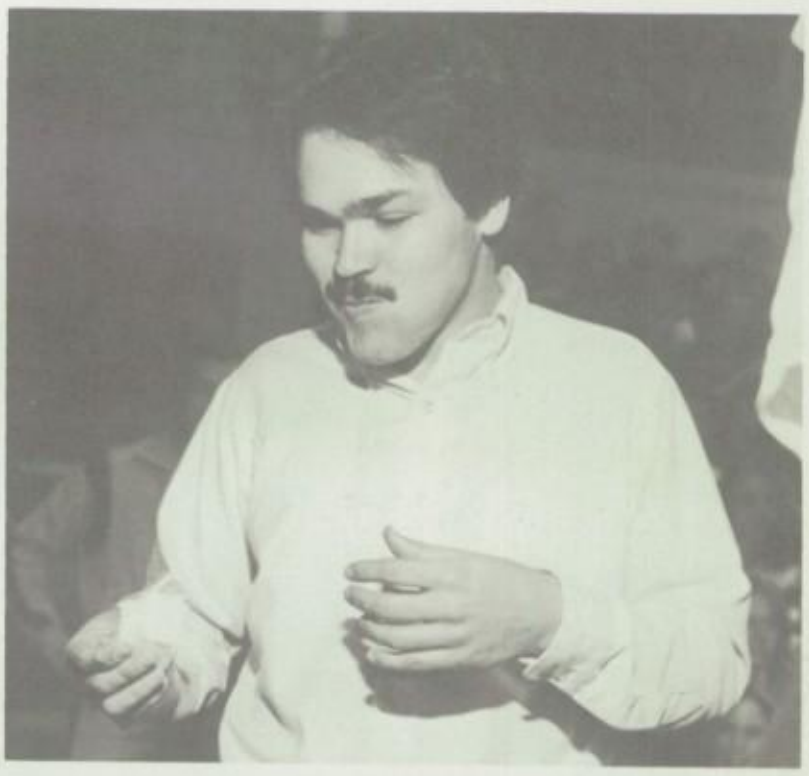
Experiences, knowledge, and dreams
to be remembered for a lifetime

Friday night victories;
Monday morning exams



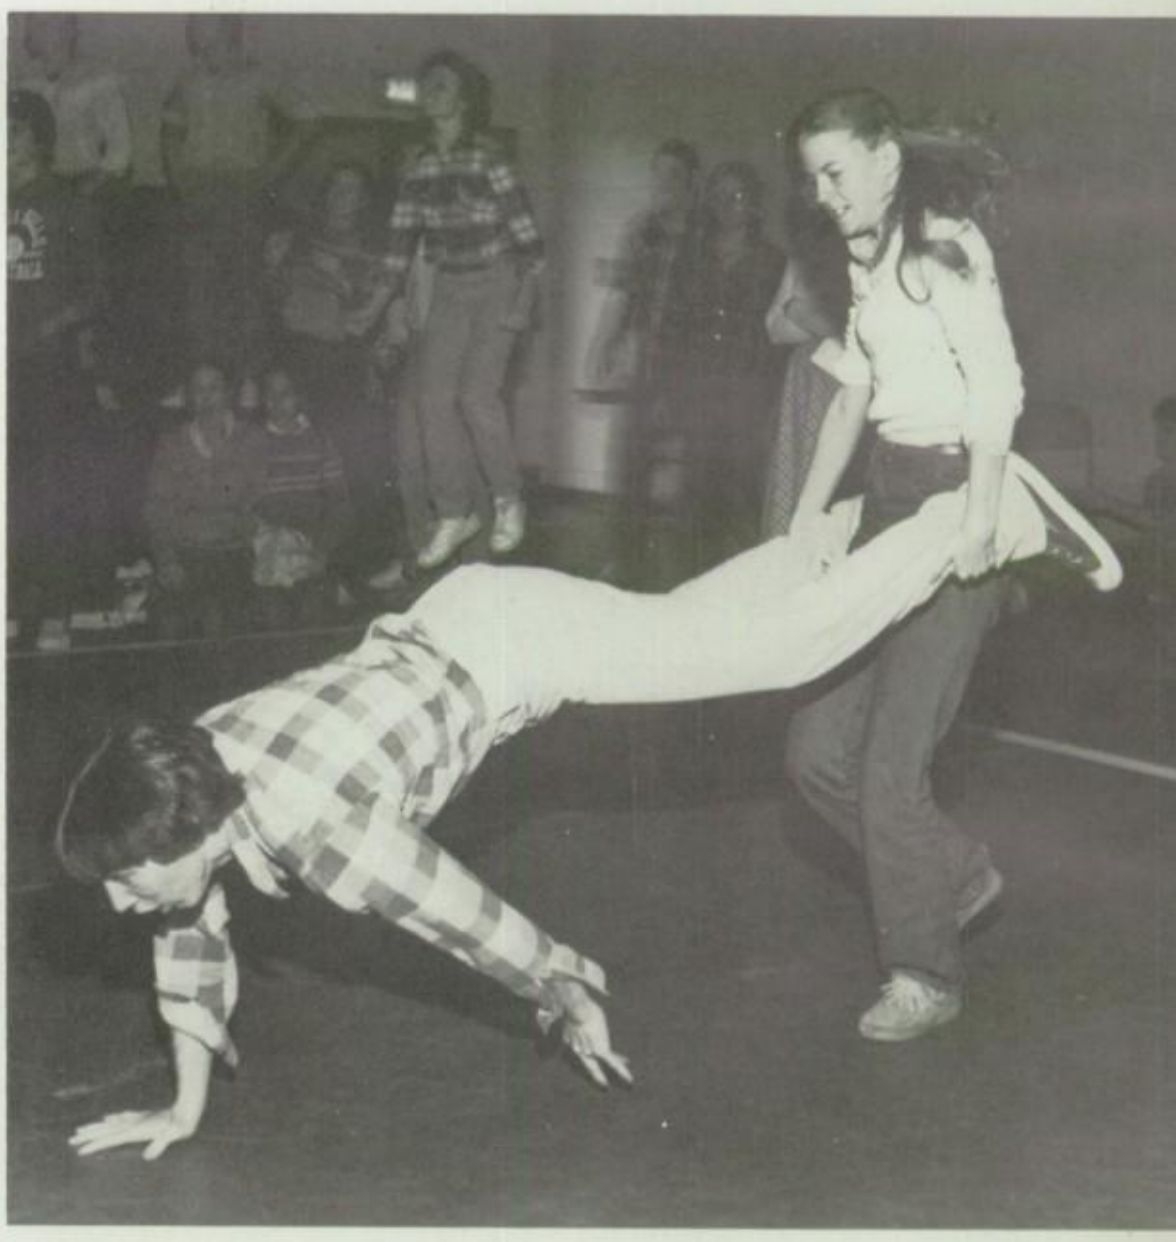






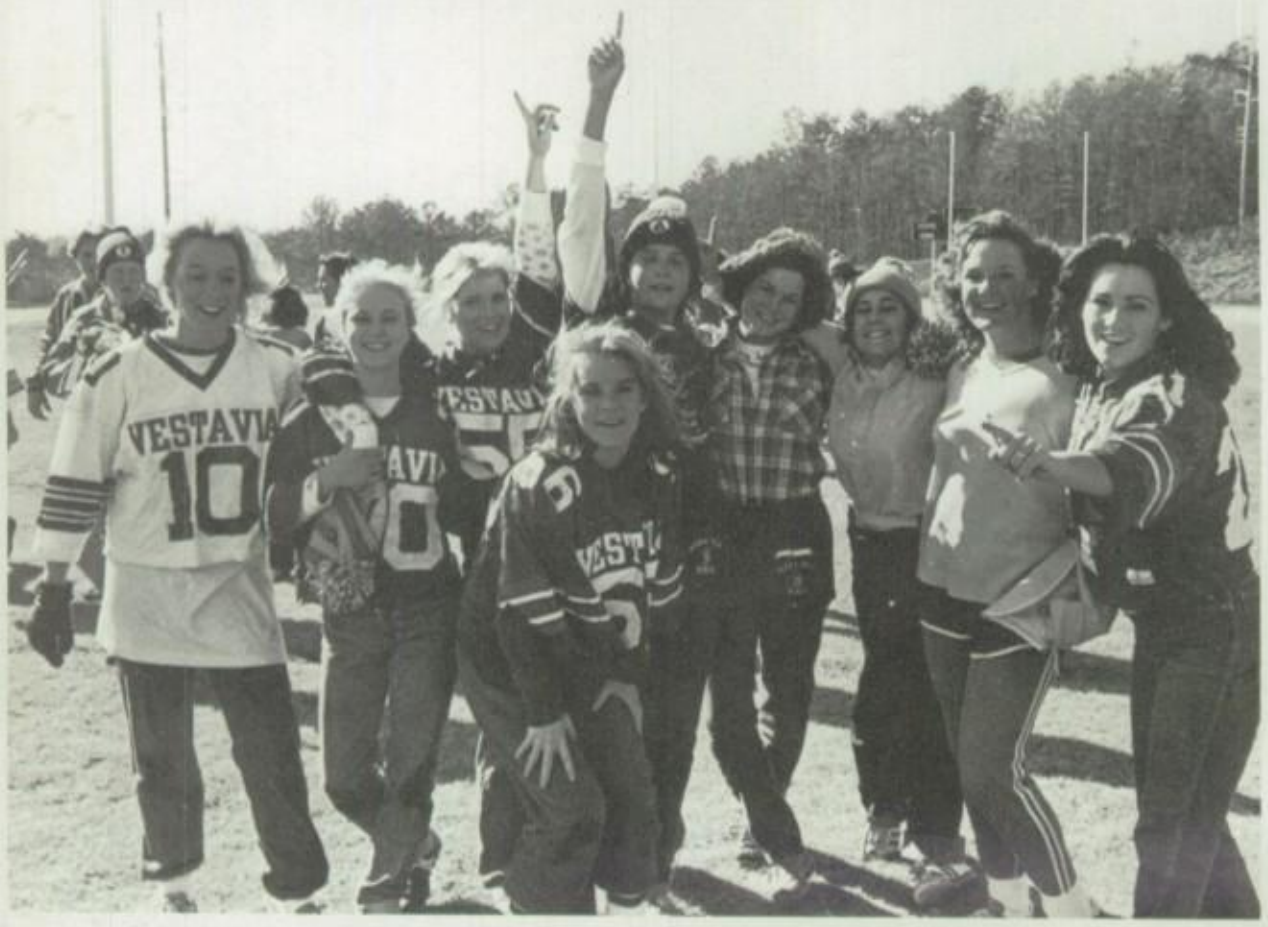
Anticipating the expected,
but welcoming the unexpected

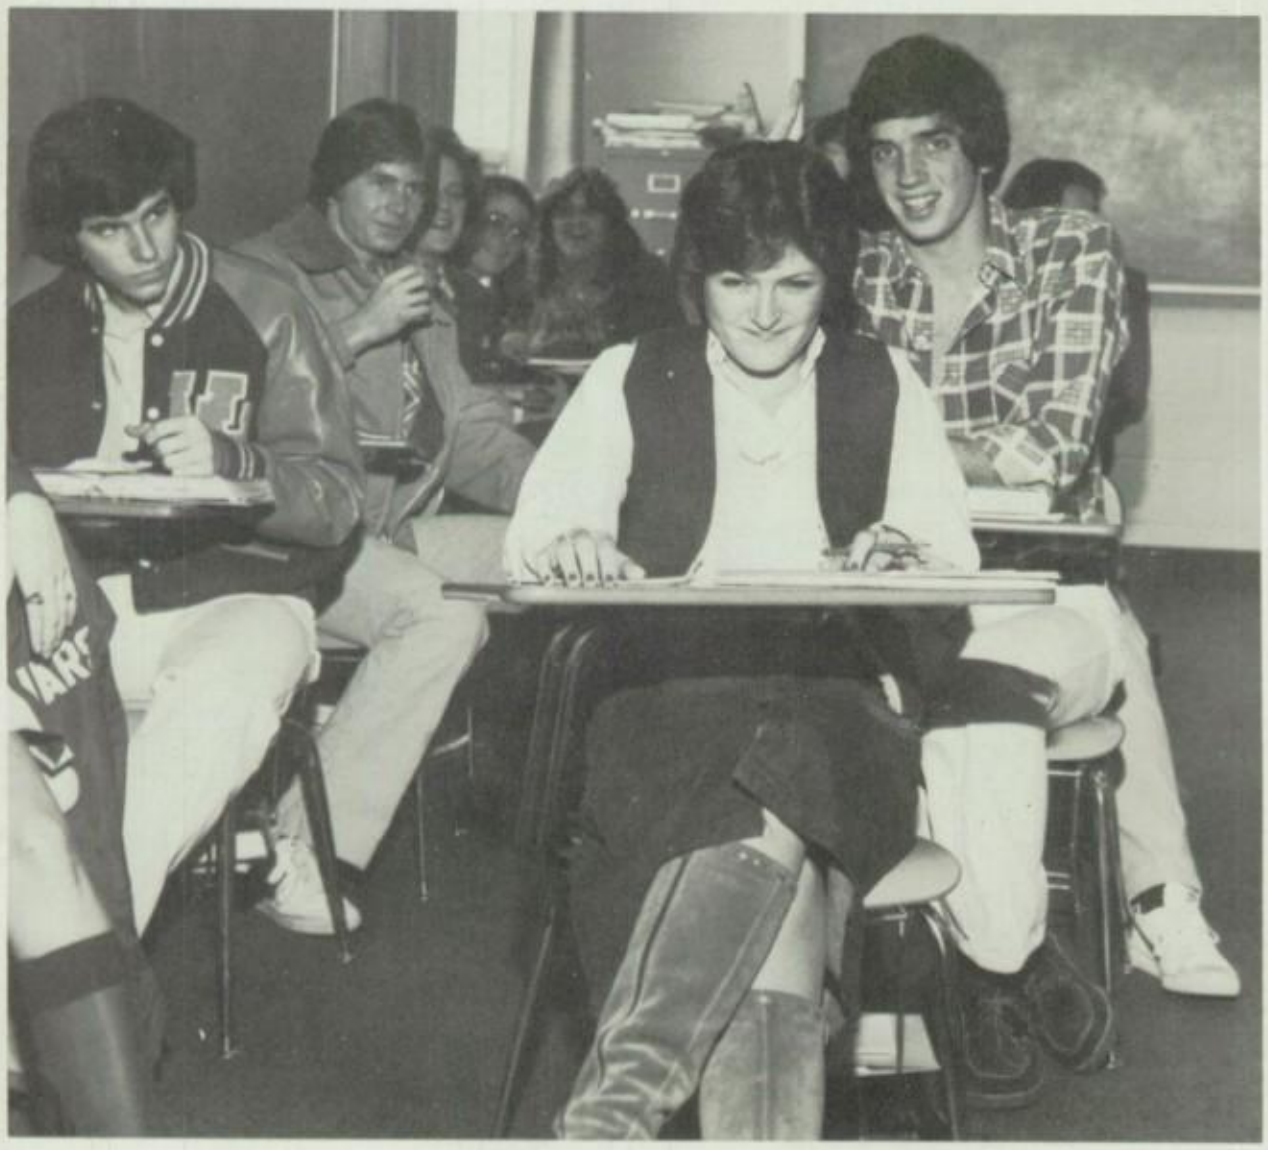
Following in the footsteps of those before us

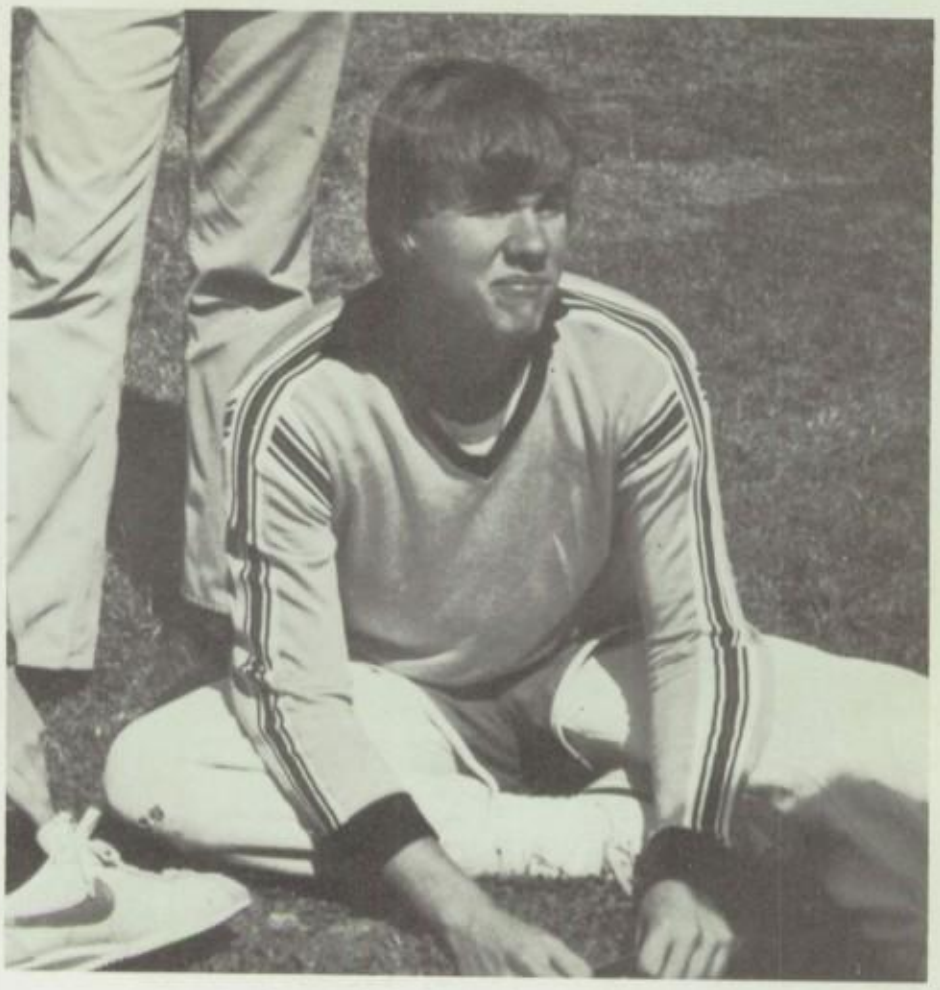


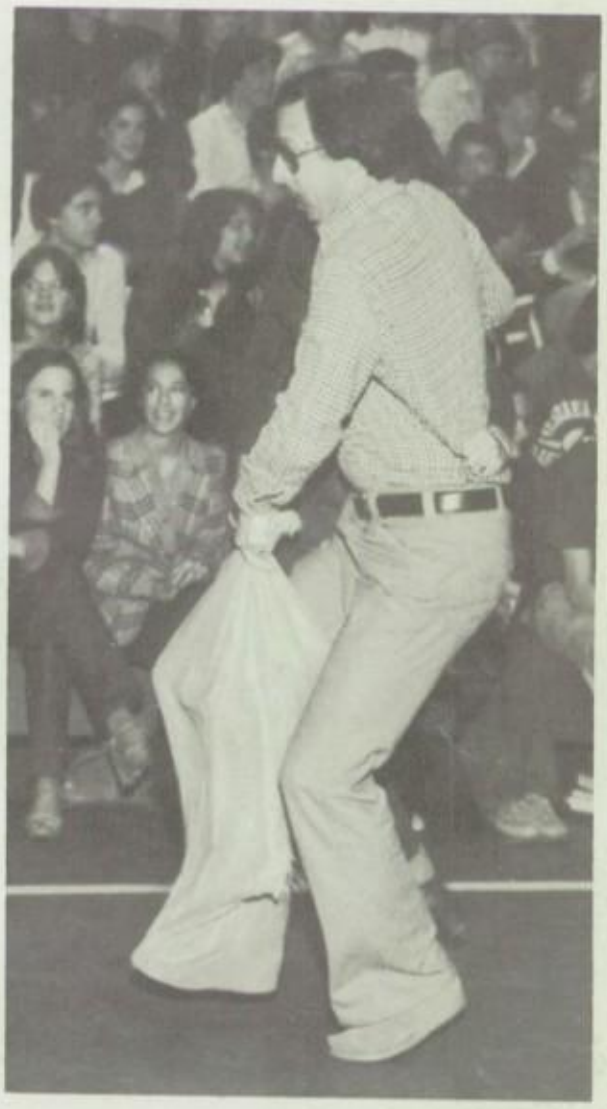
Starting traditions for
those behind us

Being young and loving every minute of it









Reflecting for a year
we will never forget

What appears
to be the end
may really
be a new
beginning.

Donald,

Donald,

We had alot of fun raising in Mrs. Patterson's room. So bad we didn't have more classes together. I don't know how any of us passed in Geometry, because of the boys that were in the class. Had fun beating up on Cathy and Lee-Dee, and Mc Googer. Well all have to get a class together like this again next year.. See ya over the summer,

Lee
